Lubisi's appointment irks Limpopo

Licensees say manager must be a provincial resident

By Bongani Magasela

It is becoming evident that problems in SA boxing are here to stay.

Just when it looked like some of the most pressing issues – including the deadlock between sports minister Zizi Kodwa and the National Professional Boxing Promoters Association – were gradually being resolved, some licensees in Limpopo were now up in arms.

Their unhappiness stems from the appointment of Oupa Lubisi as Boxing SA's service provider in the province.

Lubisi is a former SA featherweight boxing champion from Mhluzi in Mpumalanga.

Boxing SA accounting authority Mandla Ntlanganiso appointed Lubisi to the position this month, after he appointed Tinyiko Nkatingi as a member of BSA's sanctioning committee in March.

Nkatingi was the provincial manager in Limpopo.

The precedence was set by the old board of Boxing SA when it appointed then Gauteng provincial manager Archie Nyingwa in charge of

the Northern Cape, North West, Limpopo and Mpumalanga.

Current Gauteng provincial manager Lehlohonolo Ramagole is in charge of Free State, Northern Cape and North West while Phakamile Jacobs is the go-to man in the Eastern Cape.

Some licensees in Limpopo said ring official Michael Phiri, who was Nkatingi's protégé, should have been appointed to the position.

Phiri said yesterday he was equal to the task.

"I worked with Mr Nkatingi all along and I know everything about that position," he said.

"The person who must be appointed [to the position] must reside in Limpopo."

The former professional fighter said he contacted other licensees about Lubisi's appointment.

"We even wrote to BSA and complained that the post was not advertised. We said we need our own who has a good understanding with [local] municipalities."

In his response, Ntlanganiso said: "Appointments of BSA personnel is (sic) an administrative prerogative of the organisation as espoused in the act [Boxing Act 11 of 2001]."

Lubisi said: "I am here to serve boxing, which has been my life since the age of 12. I am 48 years old now and still involved in the sport I love dearly."

"I've made progress in Mpumalanga ... such as influencing businessman Jacob Mnisi into taking up a promoter's licence and he did wonders for our province, which had been forgotten in boxing."

"We had five international tournaments and two of them

Oupa Lubisi, of Mpumalanga, says he can deliver for Limpopo as the province's new BSA manager.

Provincial managers were given a three-year contract with the regulator and are paid a monthly retainer.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.

3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

- a. take all reasonable steps to prevent such abuse;
- b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
- c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
