

Expression Of Interest(EOI) for the Supply, delivery, installation, and commissioning of smart meters, data concentrator units (DCUs), ready board retrofits, access covers, IPCs, pole top split metering kiosks, secure pole mount DC kiosks passive, base units, meter seals, padlocks and all associated accessories including the decommissioning, scrapping and disposal of existing meters for the Eskom Distribution division.

Question	Answer
Will compliant submissions (for any SAP item) be added to the TEAP list through this process?	Yes
Please provide Bridget Seroka's contact information to arrange Smart Meter sample submissions	SerokaSB@eskom.co.za; 011 800 8111
For non-TEAP items, when will samples be required, given that the requirements seem to differ per Material Group? Are the samples required before closing, or will they be requested after closing?	Samples are to be submitted before tender closing date
Will compliant submissions (for any SAP item) be added to the TEAP list through this process?	Yes, Where the submitted product meets the functional evaluation requirements, the product will be listed on the Technically Evaluated and Accepted Products (TEAP) Database on condition that all applicable certificates and type test reports are submitted to Eskom when requested and the evaluation is completed.
Can we request an extension for EOI E3153DXMWP?	tender closing date has been extended to 31 July 2026
