4. CONTACT AND COMMUNICATION

- 4.1 A nominated official of the bidder(s) can make enquiries in writing, via email tender@petroleumagency.co.za.
- 4.2 Any communication to an official or a person acting in an advisory capacity for Petroleum Agency SA in respect of the bid between the closing date and the award of the bid by the Bidder(s) is discouraged.
- 4.3 All communication between the Bidder(s) and Petroleum Agency SA must be done in writing.
- 4.4 If Bidder(s) finds or reasonably believes it has found any discrepancy, ambiguity, error or inconsistency in this bid or any other information provided by Petroleum Agency SA (other than minor clerical matters), the Bidder(s) must promptly notify Petroleum Agency SA in writing of such discrepancy, ambiguity, error or inconsistency in order to afford

Petroleum Agency SA an opportunity to consider what corrective action is necessary (if any).

4.5 Any actual discrepancy, ambiguity, error or inconsistency in the bid or any other information provided by Petroleum Agency SA will, if possible, be corrected and provided to all Bidder(s) without attribution to the Bidder(s) who provided the written notice.

4.6 All persons (including Bidder(s)) obtaining or receiving the bid and any other information in connection with the Bid or the Tendering process must keep the contents of the Bid and other such information confidential, and not disclose or use the information except as required for the purpose of developing a proposal in response to this Bid.

5. COUNTER CONDITIONS

Bidders' attention is drawn to the fact that amendments to any of the Bid Conditions or setting of counter conditions by Bidders or qualifying any Bid Conditions will result in the invalidation of such bids.

6. FRONTING

6.1 Government supports the spirit of broad based black economic empowerment and recognizes that real empowerment can only be achieved through individuals and businesses conducting themselves in accordance with the Constitution and in an honest, fair, equitable, transparent and legally compliant manner. Against this background, the Government condemn any form of fronting.

6.2 The Government, in ensuring that Bidders conduct themselves in an honest manner will, as part of the bid evaluation processes, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in bid documents. Should any of the fronting indicators as contained in the Guidelines on Complex Structures and Transactions and Fronting, issued by the Department of Trade and Industry, be established during such enquiry / investigation, the onus will be on the Bidder / contractor to prove that fronting does not exist. Failure to do so within a period of fourteen (14) days from date of notification may invalidate the bid / contract and may also result in the restriction of the Bidder /contractor to conduct business with the public sector for a period not exceeding ten years, in addition to any other remedies Petroleum Agency SA may have against the Bidder / contractor concerned.

7. Performance Security

7.1 Within thirty (30) days of receipt of the notification of contract award, the successful bidder shall furnish to the purchaser the performance security of the amount specified in GCC.

7.2 The proceeds of the performance security shall be payable to the purchaser as compensation for any loss resulting from the supplier's failure to complete his obligations under the contracts

- 7.3 The performance security shall be denominated in the currency of the contract, or in freely convertible currency acceptable to the purchaser and shall be in one of the following:
- (a) a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the purchaser's country or abroad, acceptable to the purchaser, in the form provided in the bidding documents or another form acceptable to the purchaser; or
 - (b) a cashier's or certified cheque.
- 7.4 The performance security will be discharged by the purchaser and returned to the supplier not later than thirty (30) days following the date of completion of the supplier's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

8. Inspections, tests and analyses

- 8.1 All pre-bidding testing will be for the account of the bidder.
- 8.2 If it is a bid condition that supplies to be produced or services to be procured should at any stage during production or execution or on completion be subject to inspection, the premises of the bidder or contractor shall be open, at all reasonable hours, for inspection by a representative of the Company or an organization acting on behalf of the Company.
- 8.3 If there are no inspection requirements indicated in the bidding documents and no mention is made in the contract, but during the contract period, it is decided that inspections shall be carried out, the purchaser shall itself make the necessary arrangements, including payments arrangements with the testing authority concerned.
- 8.4 If the inspection, test and analyses referred to in clauses 8.2 and 8.3 show the supplies to be in accordance with the contract requirements, the cost of the inspections, tests and analyses shall be defrayed by the purchaser.
- 8.5 Where the supplies or services referred to in clauses 8.2 and 8.3 do not comply with the contract requirements, irrespective of whether such supplies or services are accepted or not, the cost in connection with these inspections, tests or analyses shall be defrayed by the supplier.
- 8.6 Supplies and services, which are, referred to in clauses 8.2 and 8.3 and which do not comply with the contract requirements may be rejected.
- 8.7 Any contract supplies may, on or after delivery, be inspected; tested or analyzed and may be rejected if found not to comply with the requirements of the contract. Such rejected supplies shall be held at the cost and risk of the supplier who shall, when called upon, remove them immediately at his own cost and forthwith substitute them with supplies which do comply with the requirements of the contract. Failing such removal, the rejected supplies shall be returned at the suppliers cost and risk. Should the supplier fail to provide the substitute supplies forthwith, the purchase may without giving the supplier further opportunity to substitute the rejected supplies purchase such supplies as may be necessary at the expense of the supplier.
- 8.8 The provisions of clauses 8.4 to 8.7 shall not prejudice the right of the purchaser to cancel the contract on account of a breach of the conditions thereof, or to act in terms of Clause 23 of GCC.

9. Packing

- 9.1 The supplier shall provide such packing of the goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the contract. The packing shall be sufficient to withstand, without limitation, rough handling during transit and exposure

to extreme temperatures, salt and precipitations during transit, and open storage. Packing, case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.

- 9.2 The packing, marking and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the contract, including additional requirements, if any, specified in SCC, and in any subsequent instructions ordered by the purchaser.

10. Delivery and documents

Delivery of the goods shall be made by the supplier in accordance with the terms specified in the contract. The details of shipping and/or other documents to be furnished by the supplier are specified in SCC.

11. Insurance

The goods supplied under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC.

12. Transportation

Should a price other than an all-inclusive delivered price be required, this shall be specified in the SCC.

13. Incidental services

- 13.1 The supplier may be required to provide any or all of the following services, including additional services, if any specified in SCC:
- (a) performance or supervision of on-site assembly and/or commissioning of the supplied goods;
 - (b) furnishing of tools required for assembly and/or maintenance of the supplied goods;
 - (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied goods;
 - (d) performance or supervision or maintenance and/or repair of the supplied goods, for a period of time agreed by the parties, provided that this service shall not relieve the supplier of any warranty obligations under this contract; and
 - (e) training of the purchaser's personnel, at the supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied goods.
- 13.2 Prices charged by the supplier for incidental services, if not included in the contract price for the goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier for similar services.

14. Spare parts

- 14.1 As specified in SCC, the supplier may be required to provide any or all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the supplier:
- (a) such spare parts as the purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; and
 - (b) in the event of termination of production of the spare parts:

- (i) Advance notification to the purchaser of the pending termination, in sufficient time to permit the purchaser to procure needed requirements; and
- (ii) Following such termination, furnishing at no cost to the purchaser, the blueprints, drawings and specifications of the spare parts, if requested.

15. Warranty

- 15.1 The supplier warrants that the goods supplied under the contract are new, unused, of the most recent or current models and that they incorporate all recent improvements in design and materials unless provided otherwise in the contract. The supplier further warrants that all goods supplied under this contract shall have no defect, arising from design, materials, or workmanship (except when the design and/or material is required by the purchaser's specifications) or from any act or omission of the supplier, that may develop under normal use of the supplied goods in the conditions prevailing in the country of final destination.
- 15.2 This warranty shall remain valid twelve (12) months after the goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the contract, or for eighteen (18) months after the date of shipment from the port or place of loading in the source country, whichever period concludes earlier, unless specified otherwise in SCC.
- 15.3 The purchaser shall promptly notify the supplier in writing of any claims arising under this warranty.
- 15.4 Upon receipt of such notice, the supplier shall, with the period specified in SCC and with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to be purchaser.
- 15.5 If the supplier, having been notified, fails to remedy the defect(s) within the period specified in SCC, the purchaser may proceed to take such remedial action as may be necessary, at the supplier's risk and expense and without prejudice to any other rights which the purchaser may have against the supplier under the contract.

16. Payment

- 16.1 The method and conditions of payment to be made to the supplier under this contract shall be specified in SCC.
- 16.2 The supplier shall furnish the purchaser with an invoice accompanied by a copy of the delivery note and upon fulfilment of other obligations stipulated in the contract.
- 16.3 Payments shall be made promptly by the purchaser, but in no case later than thirty (30) days after submission of an invoice or claim by the supplier.
- 16.4 Payment will be made in Rand unless otherwise stipulated in SCC.

17. Prices

Prices charged by the supplier for goods delivered and services performed under the contract shall not vary from the prices quoted by the supplier in his bid, with the exception of any price adjustments authorized in SCC or in the purchaser's request for bid validity extension, as the case may be.

18. Contract Amendments

No variation in or modification of the terms of the contract shall be made except by written amendment signed by the parties concerned.

19. Assignment

The supplier shall not assign, in whole or in part, its obligations to perform under the contract, except with the purchaser's prior written consent.

20. Subcontracts

The supplier shall notify the purchaser in writing of all subcontracts awarded under this contract if not already specified in the bid. Such notification, in the original bid or later, shall not relieve the supplier from any liability or obligation under the contract.

21. Delays in the supplier's performance

- 21.1 Delivery of the goods and performance of services shall be made by the supplier in accordance with the time schedule prescribed by the purchaser in the contract.
- 21.2 If at any time during performance of the contract, the supplier or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may at his discretion extend the supplier's time for performance, with or without the imposition of penalties, in which case the extension shall be ratified by the parties by amendment of contract.
- 21.3 No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or local authority.
- 21.4 The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
- 21.5 Except as provided under GCC clause 25, a delay by the supplier in the performance of its delivery obligations shall procure the supplier liable to the imposition of penalties, pursuant to GCC clause 22, unless an extension of time is agreed upon pursuant to GCC clause 21.2 without the application of penalties.
- 21.6 Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

22. Penalties

Subject to GCC clause 25, if the supplier fails to deliver any or all of the goods or to perform the services within the period(s) specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance. The purchaser may also consider termination of the contract pursuant to GCC clause 23.

23. Termination for default

- 23.1 The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:

- (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC clause 21.2;
- (b) if the supplier fails to perform any other obligation(s) under the contract; or if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

23.2 In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminate.

24. Anti-dumping and countervailing duties and rights

When, after the date of bid, provisional payments are required, or anti-dumping or countervailing duties are imposed, or the amount of a provisional payment or anti-dumping or countervailing right is increased in respect of any dumped or subsidized import, the State is not liable for any amount so required or imposed, or for the amount of any such increase. When, after the said date, such a provisional payment is no longer required or any such anti-dumping or countervailing right is abolished, or where the amount of such provisional payment or any such right is reduced, any such favorable difference shall on demand be paid forthwith by the contractor to the State may deduct such amounts from moneys (if any) which may otherwise be due to the contractor in regard to supplies or services which he delivered or procured, or is to deliver or procure in terms of the contract or any other contract or any other amount which may be due to him.

25. Force Majeure

- 25.1 Notwithstanding the provisions of GCC clauses 22 and 23, the supplier shall not be liable for forfeiture or its performance security, damages or termination for default if and to the extent that his delay in performance or other failure to perform his obligations under the contract is the result of an event of force majeure.
- 25.2 If a force majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by purchaser in writing, the supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

26. Termination for insolvency

The purchaser may at any time terminate the contract by giving written notice to the supplier if the supplier becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the supplier, provided that such termination will prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the purchaser.

27. Settlement of Disputes

- 27.1 If any dispute or difference of any kind whatsoever arises between the purchaser and the supplier in connection with or arising out of the contract, the parties shall make every effort to resolve amicably such dispute or difference by mutual consultation.

- 27.2 If, after thirty (30) days, the parties have failed to resolve their dispute or difference by much mutual consultation, then either the purchaser or the supplier may give notice to the other party of his intention to commence with mediation. No mediation in respect of this matter may be commenced unless such notice is given to the other party.
- 27.3 Should it not be possible to settle a dispute by means of mediation, it may be settled in a South African court of law.
- 27.4 Mediation proceedings shall be conducted in accordance with the rules or procedure specified in the SCC.
- 27.5 Notwithstanding any reference to mediation and/or court proceedings herein,
- (a) the parties shall continue to perform their respective obligations under the contract unless they otherwise agree; and
 - (b) the purchaser shall pay the supplier any monies due the supplier.

28. Limitation of liability

- 28.1 Except in cases of criminal negligence or willful misconduct, and in the case of infringement pursuant to clause 6;
- (a) the supplier shall not be liable to the purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss or use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier to pay penalties and/or damages to the purchaser; and
 - (b) the aggregate liability of the supplier to the purchaser, whether under the contract, in tort or otherwise, shall not exceed the total contract price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment.

29. Governing language

The contract shall be written in English. All correspondence and other documents pertaining to the contract that is exchanged by the parties shall also be written in English.

30. Applicable law

The contract shall be interpreted in accordance with South African laws, unless otherwise specified in SCC.

31. Notices

- 31.1 Every written acceptance of a bid shall be posted to the supplier concerned by registered or certified mail and any other notice to him shall be posted by ordinary mail to the address furnished in his bid or to the address notified later by him in writing and such posting shall be deemed to be proper service of such notice.
- 31.2 The time mentioned in the contract documents for performing any act after such aforesaid notice has been given, shall be reckoned from the date of posting of such notice

32. Taxes and duties

- 32.1 A foreign supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the purchaser's country.
- 32.2 A local supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to the purchaser.

32.3 No contract shall be concluded with any bidder whose tax matters are not in order. Prior to the award of a bid the Company must be in possession of a tax clearance certificate, submitted by the bidder. This certificate must be an original issued by the South African Revenue Services.

33. National Industrial Participation (NIP) Programme

The NIP Programme administered by the Department of Trade and Industry shall be applicable to all contracts that are subject to the NIP obligation.

34. Prohibition of Restrictive practices

34.1 In terms of section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, an agreement between, or concerted practice by, firms, or a decision by an association of firms, is prohibited if it is between parties in a horizontal relationship and if a bidder (s) is / are or a contractor(s) was / were involved in collusive bidding (or bid rigging).

34.2 If a bidder(s) or contractor(s), based on reasonable grounds or evidence obtained by the purchaser, has / have engaged in the restrictive practice referred to above, the purchaser may refer the matter to the Competition Commission for investigation and possible imposition of administrative penalties as contemplated in the Competition Act No. 89 of 1998.

34.3 If a bidder(s) or contractor(s), has / have been found guilty by the Competition Commission of the restrictive practice referred to above, the purchaser may, in addition and without prejudice to any other remedy provided for, invalidate the bid(s) for such item(s) offered, and / or terminate the contract in whole or part, and / or restrict the bidder(s) or contractor(s) from conducting business with the public sector for a period not exceeding ten (10) years and / or claim damages from the bidder(s) or contractor(s) concerned.

SECTION V: SPECIFICATIONS

THE APPOINTMENT OF A SERVICE PROVIDER TO SUPPLEMENT THE AGENCY'S CAPACITY IN EXECUTING ITS ENVIRONMENTAL COMPLIANCE FUNCTIONS.

1 INTRODUCTION

The Petroleum Agency SA is a state-owned entity incorporated in 1999. The Agency receives its mandate from the Mineral and Petroleum Resources Development Act, 2002, (Act No. 28 of 2002) (MPRDA). The MPRDA is the principal statute that governs the regulatory function of Government on mineral and petroleum resources and is administered, through presidential proclamation by the Department of Mineral Resources and Energy (DMRE).

The mandate of the Agency is the promotion for and regulation of the upstream petroleum industry in South Africa both onshore and offshore and is thus responsible for administering the petroleum section of the MPRDA. The Agency's mandate includes receiving, maintaining, storing, interpreting, evaluating, adding value to, disseminating or dealing in all geological or geophysical information relating to petroleum.

For more information on the company, you can visit our current website:
www.petroleumagencyrsa.com

2 BACKGROUND AND OVERVIEW

The Environmental Compliance Department currently operates with four (4) permanently employed staff members, instead of five (5). The Department is experiencing capacity challenges in implementing its functions, which relate to the following:

- a) Reviewing and making recommendations on the environmental impact assessment reports for petroleum exploration and production activities.
- b) Reviewing environmental audits reports for operations.
- c) Driving various projects to improve environmental compliance management, including regulatory framework.

3 SCOPE OF WORK

The service provider will be required to assist the Department to perform various functions including the following:

- Review of the environmental impact assessment reports for petroleum exploration and production activities, including making recommendations on the acceptability and completeness of the reports.

- Review of the environmental audit reports for exploration and production operations, including making recommendations concerning the acceptability of the reports.
- Provide support on existing or new projects aimed at improving environmental management in the upstream petroleum space, including associated regulatory framework.
- Provide expert advice on other various fields of environmental management, not limited to biodiversity protection, waste management and air quality.

4 DURATION OF THE REQUIRED SERVICES

- The services will be required for a period not exceeding 18 months. The intensity of work and services during this period will vary, depending on the number of applications received and active operations, including additional environmental management related services required.
- Therefore, the services will be required from time to time, and not constantly. However, the service provider must be available as and when required by the Agency.

5 COMPETENCY AND EXPERTISE REQUIRED

- Be a well-established institution with proven skills and experience in undertaking or reviewing environmental impact assessment reports.
- Be experience in undertaking environmental compliance monitoring and any other environmental management related work.
- Have good knowledge and understanding of environmental regulatory framework applicable to petroleum exploration and production operations.
- Be an Environmental Assessment Practitioner (EAP) registered with Environmental Assessment Practitioners Association of South Africa (EAPASA) or have EAPs registered with EAPASA.
- Have 10 years' experience in the environmental management field, and
- Demonstrate good communication, data handling, presentation, and report writing skills.
- The service provider should not be offering services to the upstream petroleum industry to avoid any potential areas of conflict.

Note: Bidders who score 60 or more out of 80 in the technical requirements, will be shortlisted for presentation.

All bids that fail to achieve the minimum overall qualifying score of 70% on functional/technical requirements, including the presentation, will not be considered for further Price and BEE evaluation.

4. PHASE 4

4.1 Price and BBEE evaluation

Bidders who met or exceeded the minimum threshold of 70% threshold will be evaluated further on Price and BEEE, utilising the 80/20 principle as per Preferential Procurement Policy Framework Act, 2000 (Act 5 of 2000).

The following formula based on the 80/20 principle will be used to calculate points for price and BBEE.

Adjudication Criteria	Maximum points
Bid price	80
B-BBEE Status level of contributor	20
Total points	100

The following formula based on the 80/20 principle will be used to calculate points for price in respect of bidders with a Rand value below R50 000 000.00:

$$P_s = 80 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right)$$

Where:

P_s= Points scored for comparative price of bid under consideration

P_t= Comparative price for bid under consideration

P_{min}=Comparative price of lowest acceptable bid

A maximum of 20 points may be awarded to a bidder for being a Broad-Based Black Economic Empowerment contributor. The points may be awarded as follow:

B-BBEE Status Level Contributor	Number of points
1	20
2	18
3	14
4	12
5	8
6	6
7	4
8	2
Non-compliant contributor	0

4.1.1 The points scored will be rounded off to the nearest two decimals.

4.1.2 In the event that two or more bids have scored equal total points, the contract will be awarded to the bidder with the highest number of preference points for B-BBEE.

- 4.1.3 When functionality is part of the process and two or more bidders have scored equal points including equal preference points for B-BBEE, the contract will be awarded to the bidder scoring the highest points for functionality.
- 4.1.4 Should two or more bids be equal in all respects, the award shall be decided by the drawing of lots.
- 4.1.5 Contract may, on reasonable and justifiable grounds be awarded to a bid that did not score the highest number of points.

5.2 Joint Ventures, Consortiums and Trusts

- 5.2.1 A trust, consortium or joint venture, will qualify for points for their B-BBEE status level as a legal entity, provided that the entity submits their B-BBEE status level certificate.
- 5.2.2 A trust, consortium or joint venture will qualify for points for their B-BBEE status level as an unincorporated entity, provided that the entity submits their consolidated B-BBEE scorecard as if they were a group structure and that such a consolidated B-BBEE scorecard is prepared for every separate bid.
- 5.2.3 Bidders must submit concrete proof of the existence of joint ventures and/or consortium arrangements.
- 5.2.4 Petroleum Agency SA will accept signed agreements as acceptable proof of the existence of a joint venture and/or consortium arrangement.
- 5.2.5 The joint venture and/or consortium agreements must clearly set out the roles and responsibilities of the Lead Partner and the joint venture and/or consortium party. The agreement must also clearly identify the Lead Partner, who shall be given the power of attorney to bind the other party/parties in respect of matters pertaining to the joint venture and/or consortium arrangement.

6. Sub-contracting

Bidders/ tenderers who want to claim Preference points will have to comply fully with regulations 11(8) and 11(9) of the PPPFA Act with regard to sub-contracting.

The following is an extract from the PPPFA Act:

- 11(8) "A person must not be awarded points for B-BBEE status level if it is indicated in the tender documents that such a tenderer intends sub- contracting more than 25% of the value of the contract to any other enterprise that does not qualify for at least the points that such a tenderer qualifies for, unless the intended sub-contractor is an EME that has the capability and ability to execute the sub-contract."
- 11(9) "A person awarded a contract may not sub-contract more than 25% of the value of the contract to any other enterprise that does not have an equal or higher B-BBEE status level than the person concerned, unless the contract is sub-contracted to an EME that has the capability and ability to execute the sub-contract."

SECTION VII: SPECIAL CONDITIONS TO CONTRACT

1. SPECIAL CONDITIONS OF THIS BID

Petroleum Agency SA reserves the right:

- 1.1. To award this tender to a bidder that did not score the highest total number of points, only in accordance with section 2(1) (f) of the PPPFA (Act 5 of 2000).
- 1.2. To negotiate with one or more preferred bidder(s) identified in the evaluation process, regarding any terms and conditions, including price without offering the same opportunity to any other bidder(s) who has not been awarded the status of the preferred bidder(s).
- 1.3. To accept part of a tender rather than the whole tender.
- 1.4. To carry out site inspections, product evaluations or explanatory meetings in order to verify the nature and quality of the services offered by the bidder(s), whether before or after adjudication of the Bid.
- 1.5. To correct any mistakes at any stage of the tender that may have been in the Bid documents or occurred at any stage of the tender process.
- 1.6. To cancel and/or terminate the tender process at any stage, including after the Closing Date and/or after presentations have been made, and/or after tenders have been evaluated and/or after the preferred bidder(s) have been notified of their status as such.
- 1.7. Award to multiple bidders based either on size or geographic considerations.

2. PETROLEUM AGENCY SA REQUIRES BIDDER(S) TO DECLARE

In the Bidder's Technical response, bidder(s) are required to declare the following:

- 2.1. Confirm that the bidder(s) is to: –
 - a. Act honestly, fairly, and with due skill, care and diligence, in the interests of Petroleum Agency SA;
 - b. Have and employ effectively the resources, procedures and appropriate technological systems for the proper performance of the services;
 - c. Act with circumspection and treat Petroleum Agency SA fairly in a situation of conflicting interests;
 - d. Comply with all applicable statutory or common law requirements applicable to the conduct of business;
 - e. Make adequate disclosures of relevant material information including disclosures of actual or potential own interests, in relation to dealings with Petroleum Agency SA;
 - f. Avoidance of fraudulent and misleading advertising, canvassing and marketing;
 - g. To conduct their business activities with transparency and consistently uphold the interests and needs of Petroleum Agency SA as a client before any other consideration; and
 - h. To ensure that any information acquired by the bidder(s) from Petroleum Agency SA will not be used or disclosed unless the written consent of the client has been obtained to do so.

3. CONFLICT OF INTEREST, CORRUPTION AND FRAUD

3.1. Petroleum Agency SA reserves its right to disqualify any bidder who either itself or any of its members, directors or members of senior management etc.

- a. engages in any collusive tendering, anti-competitive conduct, or any other similar conduct, including but not limited to any collusion with any other bidder in respect of the subject matter of this bid;
- b. seeks any assistance, other than assistance officially provided by a Government Entity, from any employee, advisor or other representative of a Government Entity in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- c. makes or offers any gift, gratuity, anything of value or other inducement, whether lawful or unlawful, to any of Petroleum Agency SA's officers, directors, employees, advisors or other representatives;
- d. makes or offers any gift, gratuity, anything of any value or other inducement, to any Government Entity's officers, directors, employees, advisors or other representatives in order to obtain any unlawful advantage in relation to procurement or services provided or to be provided to a Government Entity;
- e. accepts anything of value or an inducement that would or may provide financial gain, advantage or benefit in relation to procurement or services provided or to be provided to a Government Entity;
- f. pays or agrees to pay to any person any fee, commission, percentage, brokerage fee, gift or any other consideration, that is contingent upon or results from, the award of any tender, contract, right or entitlement which is in any way related to procurement or the rendering of any services to a Government Entity;
- g. has in the past engaged in any matter referred to above; or
- h. has been found guilty in a court of law on charges of fraud and/or forgery, regardless of whether or not a prison term was imposed and despite such bidder, member or director's name not specifically appearing on the List of Tender Defaulters kept at National Treasury.

4. MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT

4.1. The bidder should note that the terms of its Tender will be incorporated in the proposed contract by reference and that Petroleum Agency SA relies upon the bidder's Tender as a material representation in making an award to a successful bidder and in concluding an agreement with the bidder.

4.2. It follows therefore that misrepresentations in a Tender may give rise to service termination and a claim by Petroleum Agency SA against the bidder notwithstanding the conclusion of the Service Level Agreement between Petroleum Agency SA and the bidder for the provision of the Service in question. In the event of a conflict between the bidder's proposal and the Service Level Agreement concluded between the parties, the Service Level Agreement will prevail.

5. INDEMNITY

If a bidder breaches the conditions of this bid and, as a result of that breach, Petroleum Agency SA incurs costs or damages (including, without limitation, the cost of any investigations,

procedural impairment, repetition of all or part of the bid process and/or enforcement of intellectual property rights or confidentiality obligations), then the bidder indemnifies and holds Petroleum Agency SA harmless from any and all such costs which Petroleum Agency SA may incur and for any damages or losses Petroleum Agency SA may suffer.

6. PRECEDENCE

This document will prevail over any information provided during any briefing session whether oral or written, unless such written information provided, expressly amends this document by reference.

7. LIMITATION OF LIABILITY

A bidder participates in this bid process entirely at its own risk and cost. Petroleum Agency SA shall not be liable to compensate a bidder on any grounds whatsoever for any costs incurred or any damages suffered because of the Bidder's participation in this Bid process.

8. TAX COMPLIANCE

No tender shall be awarded to a bidder who is not tax compliant. Petroleum Agency SA reserves the right to withdraw an award made, or cancel a contract concluded with a successful bidder in the event that it is established that such bidder was in fact not tax compliant at the time of the award, or has submitted a fraudulent Tax Clearance Certificate to Petroleum Agency SA, or whose verification against the Central Supplier Database (CSD) proves non-compliant. Petroleum Agency SA further reserves the right to cancel a contract with a successful bidder in the event that such bidder does not remain tax compliant for the full term of the contract.

9. TENDER DEFAULTERS AND RESTRICTED SUPPLIERS

No tender shall be awarded to a bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. Petroleum Agency SA reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been blacklisted with National Treasury by another government institution.

10. GOVERNING LAW

South African law governs this bid and the bid response process. The bidder agrees to submit to the exclusive jurisdiction of the South African courts in any dispute of any kind that may arise out of or in connection with the subject matter of this bid, the bid itself and all processes associated with the bid.

11. RESPONSIBILITY FOR SUB-CONTRACTORS AND BIDDER'S PERSONNEL

A bidder is responsible for ensuring that its personnel (including agents, officers, directors, employees, advisors and other representatives), its sub-contractors (if any) and personnel of its sub-contractors comply with all terms and conditions of this bid. In the event that Petroleum Agency SA allows a bidder to make use of sub-contractors, such sub-contractors will at all times remain the responsibility of the bidder and Petroleum Agency SA will not under any circumstances be liable for any losses or damages incurred by or caused by such sub-contractors.

12. CONFIDENTIALITY

- 12.1 Except as may be required by operation of law, by a court or by a regulatory authority having appropriate jurisdiction, no information contained in or relating to this bid or a bidder's tender(s) will be disclosed by any bidder or other person not officially involved with Petroleum Agency SA's examination and evaluation of a Tender.
- 12.2 No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronic, photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a Tender.
- 12.3 This bid and any other documents supplied by Petroleum Agency SA remain proprietary to Petroleum Agency SA and must be promptly returned to Petroleum Agency SA upon request together with all copies, electronic versions, excerpts or summaries thereof or work derived there from.
- 12.4 Throughout this bid process and thereafter, bidder(s) must secure Petroleum Agency SA's written approval prior to the release of any information that pertains to (i) the potential work or activities to which this bid relates; or (ii) the process, which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.

13. PETROLEUM AGENCY SA PROPRIETARY INFORMATION

Bidder will on their bid cover letter make declaration that they did not have access to any Petroleum Agency SA proprietary information or any other matter that may have unfairly placed that bidder in a preferential position in relation to any of the other bidder(s).

14. AVAILABILITY OF FUNDS

Should funds no longer be available to pay for the execution of the responsibilities of this bid (PASA-T-2023-08), the Petroleum Agency SA may terminate the Agreement at its own discretion or temporarily suspend all or part of the services by notice to the successful bidder who shall immediately make arrangements to stop the performance of the services and minimize further expenditure: Provided that the successful bidder shall thereupon be entitled to payment in full for the services delivered, up to the date of cancellation or suspension.
