SUPPLY AND DELIVERY OF DISASTER MANAGEMENT CENTRE EQUIPMENT

1. BACKGROUND

The primary objective of the Amajuba District Disaster Management Centre is to save the lives and properties of the Amajuba District. It is a standard norm that Disaster Management Centre must be 24/7 operational which must which has to be manned by Fire and Rescue section in which firemen must be physically and mentally fit to carry out the mandate as per their job description while attending various incidents. The procured equipment would ensure that the firemen and disaster officers are always fit to carry out their duties.

2. SCOPE OF WORK

The appointed service provider will be responsible for supplying, delivering, and assembling all the required/ procured equipment in the Disaster Management Centre.

The equipment that needs to be assembled are as follows:

- Soccer Table
- Pool/Snooker Table
- Treadmill
- Spinning Bike
- Power Gym
- Punching Bag

No assistance will be provided by municipal officials in the assembling process.
