Part 2:	<i>Activity Schedule</i>	1

**Transnet Pipelines****Tender Number:** TBC**Description of Services:** PROFESSIONAL SERVICES FOR A SPECIALIST SERVICE PROVIDER TO DEVELOP THE TRANSNET PIPELINES' ENERGY TRANSITION STRATEGY

Pricing Preambles (Part 1)

1. The Price for Services Provided to Date is the total of the Prices for the activities which have been completed. A completed activity is one which is without Defects which would delay immediately following work.
2. The Prices are the lump sums for each of the activities on the Activity Schedule unless later changed in accordance with this contract.
3. The activity schedule provides the basis of all valuations of the Price for Services Provided to Date, payments in multiple currencies and general progress monitoring.
4. The amount due at each assessment date is based on activities and/or milestones completed as indicated on the activity schedule.
5. The activity schedule work breakdown structure provided by the *Consultant* is based on the activity schedule provided by the *Employer*. The activities listed by the *Employer* are the minimum activities acceptable and identify the specific activities which are required to achieve Completion. **The activity schedule of work breakdown structure is compiled to the satisfaction of the *Employer* with any additions and/or amendments deemed necessary.**
6. The *Consultant's* detailed activity schedule summates back to the activity schedule provided by the *Employer* and is in sufficient detail to monitor completion of activities related to the deliverables required in assessment and payment of completed activities may be assessed.
7. **The Prices are obtained from the activity schedule. The Prices are inclusive of all direct and indirect costs, overheads, profits, oncosts, risks, liabilities, obligations, etc. relative to the contract and execution of the services required.**
