CLARITY REQUIRED	RESPONSE
1. What is the request for bids number? (page 1 of 2 on KD18)	Refers to the RFB number of the tender being submitted.
2. Confirm compliance to price basis (page 1 of 2 on KD18)	This requires bidders to confirm, which cost elements are included in the price as set out in incoterms/in these conditions (confirm if its services rendered or delivery of goods into stores)
3. Is Intellectual property applicable for this project?	Not applicable for this project
4. How much is Armscor's motor fleet aggregate value?	The value is R800 000.00
5. Number of ARMSCOR sites nationally (including outside RSA borders if applicable)	The demographic of Armscor and divisions has been stated on the RFB. There are no other sites outside of those mentioned in the RFB.
6. Under Resources (page 4 of 12) it is noted that the "lead broker or person responsible for handling ARMSCOR's account" shall have Key Individual (KI) status. Kindly indicate whether this is the same definition of a Key Individual as referred to in the FAIS act.	YES
7. Paragraph 2.2.5 Sub-Contracting (page 8 of 9) notes that sub-contracting must be considered by the bidder. Please indicate whether a minimum sub-contracting percentage would be applicable in this current tender and if so, what such percentage would be?	Subcontracting is not mandatory, however where the main bidder decide to subcontract, they will have to indicate the percentage of the work being subcontracted, so no mandatory required minimum percentage
8. Assist with the claim's history/experience for the past three years	Information can be obtained from the eTender portal.

Note 1: Detailed information will only be made available to the successful bidder upon completion of the bid evaluation and appointment process.
