- Printing Output: Colour

Description

Tailored to meet the demands of your business, the Epson EcoTank L15160 Four-in-one A3 Printer offers high-quality printing, scanning, copying, and faxing solutions up to A3 size. Featuring automatic duplex printing and scanning capabilities, this printer ensures low costs and increased productivity, making it an ideal choice for businesses seeking efficient and versatile printing solutions. Utilising pigment ink technology, DURABrite ET INK delivers sharp, clear, and durable prints that are water-resistant, ensuring professional-quality prints for all your business documents and marketing materials. With its compact design and small footprint, this printer can easily fit into any office space, allowing you to maximise space and streamline workflows for enhanced efficiency and productivity.
