

## Ash Crushers (Technical Evaluation)

KPA - Area of Evaluation	Weight (%)	KPI - Criteria Evaluation Indicator	Minimum Criteria Evaluation Requirements	Source	%	Floor	Kick in	Average	Stretch	Ceiling	Score	TOTAL RATING
		Work experience (supply of ash crusher spares)	At least 3 similar projects completed with contactable references	Proof (in a form of a purchase order or signed contract document or completion certificate) of similar scope have been executed with references.	15%		0proj= 0%	1 proj= 5%	2proj=10%	3proj= 15%		
					15%						0%	0,00%
			<b>Workshop:</b> Minimum tools: Overhead crane not less than 1 ton, casing equipment and molten metal pot	Attach a letter confirming the workshop site that will be used for the fabrication (address of the workshop is required for site visit before tender is awarded)	30%	No attached copies =0%				Attached letter= 30%		
			<b>Quote as per the scope of work on the tender</b>	The supplier to quote for all items on the scope of work	15%	Did not quote for every item on the price list=0%				Quoted for every item on the price list=15%		
			<b>Detailed explanation of a square to round casting process:</b> Method statement	Method statement clearly showing the technical knowledge of square to round patterns developments, stacking for transportation purposes, quality considerations and handling methods	40%	No attached copy of the method statement =0%	Method statement clearly showing the technical knowledge of square to round patterns development only = 15%	Method statement clearly showing the technical knowledge of square to round patterns developments, stacking for transportation only = 20%	Method statement clearly showing the technical knowledge of square to round patterns developments, stacking for transportation purposes and handling methods only = 30%	Method statement clearly showing the technical knowledge of square to round patterns developments, stacking for transportation purposes, quality considerations and handling methods = 40%		
	#REF!				100%						0%	0,00%
<b>TAKE NOTE: ONLY TECHNICAL SUITABLE IF MINIMUM THRESHOLD OF 75% IS MET, ESKOM RESERVES THE RIGHT TO CONSIDER AND NEGOTIATE WITH SUPPLIERS THAT OBTAINED SCORES FROM 60% TO 74%. The recommended suppliers will undergo workshop visit where Eskom representative will come and verify the workshop the will be using for repair.</b>											<b>TOTAL SCORE</b>	<b>0%</b>
