Simangaliso
Wetland Park

Simangaliso Wetland Park is a World Heritage Site and a National Park. It is managed by the Simangaliso Wetland Park Board. The Park is located in the northern part of South Africa, near the border with Zimbabwe. It is a large area of wetland, including marshes, swamps, and rivers. It is home to many different types of plants and animals, including many rare and endangered species. The Park is a very important part of South Africa's natural heritage.
