

SAFETY REQUIREMENTS

Contractual requirements mean that the suppliers will submit the tender returnable during the tender close-out. The evaluation will take place once the mandatory and Functionality evaluation have been completed. Only the shortlisted tenderers who passed mandatory and functionality evaluation threshold will be evaluated. The tenderers will be given an opportunity to submit the outstanding documents within 7 working days after the first evaluation. Failure to submit the outstanding documents within the stipulated time; may result in the tenderer being regarded as non-responsive and ineligible for contract award. Those who submitted will be re-evaluated and the evaluation report will be submitted to procurement. This Safety requirements are for tender purpose, upon signing the contract the supplier/contractor shall comply with Matla Power station's Safety file requirements. No work will commence until the Safety file is approved by OHS professional together with the Project Manager
