Dear Eskom Supplier/Vendor

VETTING OF EX ESKOM EMPLOYEES

Whilst Eskom do not determine whom a supplier or vendor may employ, Eskom will not allow any former Eskom employees, who have been dismissed from Eskom due to misconduct, to be deployed as a contractor, contractor employee or subcontractor on any Eskom site, nor to perform work on Eskom networks. You are hereby advised to adequately vet former Eskom employees when recruiting them for business to be conducted with Eskom.

For any further information, you may contact Derna Edmund (EdmundDH@eskom.co.za), or Gwendeline Alexander (AlexanWG@eskom.co.za).
