TERMS OF REFERENCE FOR THE APPOINTMENT OF A SERVICE PROVIDER TO DEVELOP A PSYCHOSOCIAL SUPPORT (PSS) TRAINING MANUAL TO PROMOTE THE GUIDE IMPLEMENTATION OF PSS SERVICES BY LEARNERS SUPPORT AGENTS (LSAs) IN SCHOOLS

1. Introduction

The Department of Basic Education (DBE) Seeks to appoint a service provider to develop the Training Manual (facilitator manual, participant guide and training presentation) that will support the strengthening of the capability of the Learners Support Agents (LSAs) and schools to provide Psychosocial Support (PSS) as a first line response to vulnerable learners.

2. Background

South African learners are impacted by the various barriers to learning including mental health and psychosocial challenges. Psychosocial wellbeing is a significant precursor to learning and is essential for academic achievement; it thus has important bearing on the future prospects of both individuals and societies. In the shadow of the COVID-19 pandemic, psychosocial challenges have increased, resulting in many young people talking of feeling overwhelmed, sad, isolated, and stressed.

Through strengthening the provision of school-based PSS services, DBE aims to promote the psychosocial wellbeing of school communities³. Moreover, it seeks to prevent mental health issues such as depression and anxiety by teaching children about emotions and wellness, maintaining stable routines, providing opportunities for supervised play, fostering a sense of hope, reducing stress, encouraging self-expression, and promoting collaborative behaviour for all learners. In addition, to ensure that learners are supported and referred for further intervention.

To improve the PSS interventions for learners, the DBE seeks to develop a PSS Training Manual for facilitation of workshops on the Guide for Learner Support Agents and Schools on Providing Psychosocial Support. The manual will be utilised by PSS District officials to facilitate knowledge during workshops with the LSAs. The manual is intended to maximise effectiveness, appropriate training and support.

3. Scope of Work

The scope of work includes among others:

1. Attend an inception meeting with the Chief-Director: Care and Support Chief Directorate team to develop a project work plan with activities and timelines;
2. Conduct a desk top review of the existing DBE PSS strategy, the Guide for LSAs and Schools on Providing Psychosocial Support, the Policy on Screening, Identification Assessment and Support, the World Health Organization (WHO) initiative called *LIVES* (Listen, Inquire, Validate, Enhance safety, and Support), the Psychosocial Support Guide for South African Schools, and any other material guiding the provision of first-line of defence for PSS services in schools , to strengthen the Training Manual
3. Host / facilitate a virtual Focus Group Discussion with selected PSS Provincial, District and Implementing Partners' officials where relevant to inform the focus of the training manuals.
4. Develop a PSS Training Manual (facilitator and participant manuals) that will provide a guide for the running of workshops with Learner Support Agents' and other stakeholders, with sessions in the manual that could be used as a progression in a training situation specifically focusing on PSS, and topics that can be used as a "stand-alone" activity in a situation where there is little time.

The service provider is expected to deliver the following:

1. **Inception Report with agreed project activities, deliverables and timelines;**
2. **Print-Ready PSS Training Manual (Facilitator Manual, and Participants Guide and training presentation)** is designed to assist facilitators in applying the minimum level of criteria for psychosocial support (PSS) as per the Guide for Learner Support Agents and Schools and other literature, ensuring that at the end of the training, participants will have acquired the skills needed to strengthen the capacity of learners to express their concerns and emotions, strengthen the elements related to the needs of learners, and skills necessary to mobilize families and communities to support learners.
