TERMS OF REFERENCE/SCOPE OF WORK

1.1. DESCRIPTION

The Mining Health and Safety Council (MHSC) seeks to appoint a professional service provider to attend to the MHSC 's current non-compliance status with the compensation for occupational injuries and diseases act 130 of 1993 (COIDA) issues.

1.2. OVERVIEW

The Mine Health and Safety Council is a national public entity (Schedule 3A) established in terms of the Mine Health and Safety Act, No 29 of 1996, as amended. The entity comprises a tripartite board represented by State, Employer, and Labour members under chairmanship of the Chief Inspector of Mines. The MHSC is funded by public revenue and is accountable to Parliament. The main task of the Council is to advise the Minister of Mineral Resources on occupational health and safety legislation and research outcomes focused on improving and promoting occupational health and safety in South African mines. The Council also oversees the activities of its committees; promotes a culture of health and safety in the mining industry; arranges a summit every two years to review the state of occupational health and safety at mines; and liaises with the Mining Qualifications Authority and any other statutory bodies about mining health and safety.

The MHSC was unable to furnish the Compensation Commissioner with a Return of Earnings from 2013 to date. The non submission has resulted in the MHSC being non-compliant with COIDA regulations, which poses a significant risk for the organisation. The MHSC has attempted to resolve this matter an extended period of time, but with limited support of the Compensation Commissioner. It is for this reason that the MHSC now requests experienced and reputable bidders to submit proposals to resolve the current non-compliant status of the MHSC with the Compensation of Occupational Injuries and Diseases Act 130 of 1993.

- 1.4.3. Provide the MHSC with a detailed plan of the actions to be taken to ensure that the matter is resolved.
- 1.4.4. Prepare relevant documentation bundles for submission to the Compensation fund to assist with the resolution of the non-compliance.
- 1.4.5. Liaise with the Compensation fund to ensure all relevant information required are submitted.
- 1.4.6. Ensure that all steps are taken to resolve the compliance dating back to the original.
- 1.4.7. The appointed service provider will be required to perform ROE calculations and ensure that the correct formula as gazetted for the applicable years dating back from 2012 to date.
