Returnable Document**SECTION 8:****SBD 9- CERTIFICATE OF INDEPENDENT BID DETERMINATION**

1. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). Collusive bidding is a per se prohibition meaning that it cannot be justified under any grounds. Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
2. Transnet will take all reasonable steps to prevent abuse of the supply chain management system and to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
3. This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
4. In order to give effect to the above, the following certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

19.3 The Service Provider shall thereupon, as soon as possible after such date, deliver to Transnet the Goods/Services [if any] already completed, and payment for the part performance shall be made on a *pro rata* basis, provided the uncompleted part is not an integral or essential part of the completed Goods/Services. Where an integral or essential part of the work has not been completed, the amount to be paid to the Service Provider will be calculated on the basis of Transnet's enrichment. The Service Provider shall, wherever practicable, supply Transnet with the necessary drawings and/or specifications to enable it to complete the work.

19.4 Whenever, in any case not covered by clause above, the Supplier fails or neglects to execute the work or to deliver any portion of the Goods/Services as required by the terms of this Agreement or Purchase Order, or if any Goods/Services are rejected on any of the grounds mentioned in clause [Defective Goods], Transnet may cancel this Agreement or Purchase Order in so far as it relates to the unexecuted work or the undelivered or rejected portion of the Goods/Services, and in such event, the supply of the remaining portion shall remain subject in all respects to these conditions.

20 RIGHTS ON CANCELLATION

20.1 If this Agreement or Purchase Order is cancelled in whole or in part in terms of clause [Total or Partial Failure to Perform], Transnet may execute or complete this Agreement with any other entity and do so on such terms as it may deem proper, or may procure other comparable Goods/Services in substitution

for those neglected to be manufactured or supplied or rejected as aforesaid, and may recover from the Supplier the difference between the cost of such Goods/Services and the Price [if the latter was lower] as well as any costs and expenses [including any additional transport costs] which Transnet may have had to incur in consequence of the Supplier's/Service Provider's default.

20.2 Any amount which may be recoverable from the Supplier/Service Provider in terms of clause above, without prejudice to any other legal remedies available to Transnet, may be deducted in whole or in part from any monies in the hands of Transnet and due for payment to the Supplier/Service Provider.

21 BREACH AND TERMINATION

21.1 Termination in accordance with clause 6 [Term and Cancellation] shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to either Party and all provisions which are to survive this Agreement or impliedly do so shall remain in force and in effect.

21.2 On termination of this Agreement or a Work Order, the Service Provider will immediately deliver up, and procure that its Personnel will immediately deliver up to Transnet, all Deliverables and property belonging to Transnet [or, in the event of termination of a Work Order, such as is relevant to that Work Order] which may be in the possession of, or under the control of the Service Provider, and certify to Transnet in writing that this has been done.

21.3 To the extent that any of the Deliverables and property referred to in clause above are in electronic form and contained on non-detachable storage devices, the Service Provider will provide Transnet with unencrypted copies of the same on magnetic media and will irretrievably destroy and delete copies so held.

21.4 In the event that this Agreement is terminated by the Service Provider under clause 6 [Term and Cancellation], or in the event that a Work Order is terminated by Transnet under this clause 26 [Breach and Consequences of Termination], Transnet will pay to the Service Provider all outstanding Fees [apportioned on a pro rata basis] relating to the work undertaken by the Service Provider up until the date of such termination. Transnet will also pay the costs of any goods and materials ordered by the Service Provider in relation to the such work for which the Service Provider has paid or is legally obliged to pay, in which case, on delivery of such goods or materials, the Service Provider will promptly deliver such goods and materials to Transnet or as it may direct.

21.5 If either Party [**the Defaulting Party**] commits a material breach of this Agreement and fails to remedy such breach within 30 [thirty] calendar days of written notice thereof, the other Party [hereinafter **the Aggrieved Party**], shall be entitled, in addition to any other rights and remedies that it may have in terms of this Agreement, to terminate this Agreement forthwith without any liability and without prejudice to any claims which the Aggrieved Party may have for damages against the Defaulting Party.

21.6 Either Party may terminate this Agreement forthwith by notice in writing to the other Party when the other Party is unable to pay its debts as they fall due or commits any act or omission which would be an act of insolvency in terms of the Insolvency Act, 24 of 1936 [as amended from time to time], or if any action, application or proceeding is made with regard to it for:

21.6...1 a voluntary arrangement or composition or reconstruction of its debts;

- its winding-up or dissolution;
- the appointment of a liquidator, trustee, receiver, administrative receiver or similar officer;

- any similar action, application or proceeding in any jurisdiction to which it is subject.

21.7 Transnet may terminate this Agreement at any time within 2 [two] months of becoming aware of a change of control of the Supplier/Service Provider by notice in writing to the Supplier/Service Provider. For the purposes of this clause, **control** means the right to direct the affairs of a company whether by ownership of shares, membership of the board of directors, agreement or otherwise.

21.8 Notwithstanding this clause, Transnet may cancel this Agreement without cause by giving 30 [thirty] calendar days prior written notice thereof to the Supplier/Service Provider, or

21.9 The provisions of clauses *[Definitions]*, *[Warranties]*, *[Rights on Cancellation]*, *[Confidentiality]*, *[Limitation of Liability]*, *[Intellectual Property Rights]*, **Error! Reference source not found.** *[Dispute Resolution]* and *[Governing Law]* shall survive termination or expiry of this Agreement.

22 CESSION

22.1 Upon written notice to the Supplier/Service Provider, Transnet shall be entitled:

- to appoint Transnet's financier of the Goods/Services as first payer under this Agreement, without transferring the ultimate responsibility for payment which will remain with Transnet; and
- to cede, assign and transfer its right, title and interest in the Goods/Services to such financier as part of the funding consideration for the Goods/Services.

22.2 The Supplier/Service Provider is not entitled to cede, delegate, assign, Subcontract or in any other manner dispose of any of its rights or obligations in terms of this Agreement without the prior written consent of Transnet, which consent shall not be withheld or delayed unreasonably.

23 FORCE MAJEURE

23.1 Neither Party shall have any claim against the other Party arising from any failure or delay in the performance of any obligation of either Party under this Agreement caused by an act of force majeure such as acts of God, fire, flood, war, lockout, government action, laws or regulations, terrorism or civil disturbance, defaults or other circumstances or factors beyond the reasonable control of either Party, and to the extent that the performance of obligations of either Party hereunder is delayed by virtue of the foregoing, any period stipulated for any such performance shall be reasonably extended. Transnet may however rely on strikes, industrial dispute and riots as a ground of force majeure.

23.2 Each Party will take all reasonable steps by whatever lawful means that are available to resume full performance as soon as practicable and will seek agreement to modification of the relevant provisions of this Agreement in order to accommodate the new circumstances caused by the act of *force majeure*. If a Party fails to agree with such modifications proposed by the other Party within 90 [ninety] calendar days of the act of *force majeure* first occurring, either Party may thereafter terminate this Agreement with immediate notice.

24 PROTECTION OF PERSONAL DATA

24.1 The Parties agree that they may obtain and have access to personal data for the duration of the Agreement for the fulfilment of the rights and obligations contained herein. In performing the obligations as set out in this Agreement, the Parties shall at all times ensure that:

- a) they process data only for the express purpose for which it was obtained;

- b) once processed for the purposes for which it was obtained, all data will be destroyed to an extent that it cannot be reconstructed to its original form;
- c) data is provided only to authorised personnel who strictly require the personal data to carry out the Parties' respective obligations under this Agreement;
- d) they do not disclose personal data of the other Party, other than in terms of this Agreement;
- e) they have all reasonable technical and organisational measures in place to protect all personal data from unauthorised access and/or use;
- f) they have appropriate technical and organisational measures in place to safeguard the security, integrity and authenticity of all data in its possession or under its control in terms of this Agreement;
- g) such personal data is protected against unauthorised or unlawful processing, accidental loss, destruction or damage, alteration, disclosure or access.

24.2 The Parties agree that if personal data will be processed for additional purposes beyond the original purpose for which it was obtained, explicit consent must be obtained beforehand from those persons whose information will be subject to further processing.

24.3 Should it be necessary for either Party to disclose or otherwise make available the personal data to any third party (including sub-contractors and employees), it may do so only with the prior written permission of the other Party. The Party requiring such permission shall require of all such third parties, appropriate written undertakings to be provided, containing similar terms to that set forth in this clause **Error! Reference source not found.**, and dealing with that third party's obligations in respect of its processing of the personal data. Following approval by the other Party, the Party requiring permission agrees that the provisions of this clause shall *mutatis mutandis* apply to all authorised third parties who process personal data.

24.4 The Parties shall ensure that any persons authorized to process data on their behalf (including employees and third parties) will safeguard the security, integrity and authenticity of all data. Where necessary to meet this requirement, the Parties shall keep all personal data and any analyses, profiles, or documents derived therefrom logically separated from all other data and documentation held by it.

24.5 The Parties shall carry out regular assessments to identify all reasonably foreseeable internal and external risks to the personal data in its possession or under its control. The Parties shall implement and maintain appropriate safeguards against the risks which it identifies and shall also regularly verify that the safeguards which it has in place has been effectively implemented.

24.6 The Parties agree that they will promptly return or destroy any personal data in their possession or control which belongs to the other Party once it no longer serves the purpose for which it was collected in relation to this Agreement, subject to any legal retention requirements. This may be at the request of the other Party and includes circumstances where a person has requested the Parties to delete all instances of their personal data. The information will be destroyed in such a manner that it cannot be reconstructed to its original form, linking it to any particular individual or organisation.

24.7 Personal Information security breach: Supplier/Service Provider's Obligations

- a) The Supplier/Service Provider shall notify the Information Officer of Transnet, in writing as soon as possible after it becomes aware of or suspects any loss, unauthorised access or unlawful use of any personal data and shall, at its own cost, take all necessary remedial steps to mitigate the extent of

the loss or compromise of personal data and to restore the integrity of the affected Goods/Services as quickly as is possible. The Supplier/Service Provider shall also be required to provide Transnet with details of the persons affected by the compromise and the nature and extent of the compromise, including details of the identity of the unauthorised person who may have accessed or acquired the personal data.

- b) The Supplier/Service Provider shall provide on-going updates on its progress in resolving the compromise at reasonable intervals until such time as the compromise is resolved.
- c) Where required, the Supplier/Service Provider may be required to notify the South African Police Service; and/or the State Security Agency and where applicable, the relevant regulator and/or the affected persons of the security breach. Any such notification shall always include sufficient information to allow the persons to take protective measures against the potential consequences of the compromise.
- d) The Supplier/Service Provider undertakes to co-operate in any investigation relating to security which is carried out by or on behalf of Transnet including providing any information or material in its possession or control and implementing new security measures.

25 CONFIDENTIALITY

25.1 The Parties hereby undertake the following with regard to Confidential Information:

- not to divulge or disclose to any person whomsoever in any form or manner whatsoever, either directly or indirectly, any Confidential Information of the other without the prior written consent of such other Party, other than when called upon to do so in accordance with a statute, or by a court having jurisdiction, or by any other duly authorised and empowered authority or official, in which event the Party concerned shall do what is reasonably possible to inform the other of such a demand and each shall assist the other in seeking appropriate relief or the instituting of a defensive action to protect the Confidential Information concerned;
- not to use, exploit, permit the use of, directly or indirectly, or in any other manner whatsoever apply the Confidential Information disclosed to it as a result of this Agreement, for any purpose whatsoever other than for the purpose for which it is disclosed or otherwise than in strict compliance with the provisions in this Agreement;
- not to make any notes, sketches, drawings, photographs or copies of any kind of any part of the disclosed Confidential Information without the prior written consent of such other Party, except when reasonably necessary for the purpose of this Agreement, in which case such copies shall be regarded as Confidential Information;
- not to de-compile, disassemble or reverse engineer any composition, compilation, concept application, item, component de-compilation, including software or hardware disclosed and shall not analyse any sample provided by Transnet, or otherwise determine the composition or structure or cause to permit these tasks to be carried out except in the performance of its obligations pursuant to this Agreement;
- not to exercise less care to safeguard Transnet Confidential Information than the Party exercises in safeguarding its own competitive, sensitive or Confidential Information;

- Confidential Information disclosed by either Party to the other or by either Party to any other party used by such party in the performance of this Agreement, shall be dealt with as “restricted” or shall be dealt with according to any other appropriate level of confidentiality relevant to the nature of the information concerned, agreed between the Parties concerned and stipulated in writing for such information in such cases;
- the Parties shall not make or permit to be made by any other person subject to their control, any public statements or issue press releases or disclose Confidential Information with regard to any matter related to this Agreement, unless written authorisation to do so has first been obtained from the Party first disclosing such information;
- each Party shall be entitled to disclose such aspects of Confidential Information as may be relevant to one or more technically qualified employees or consultants of the Party who are required in the course of their duties to receive the Confidential Information for the Permitted Purpose provided that the employee or consultant concerned has a legitimate interest therein, and then only to the extent necessary for the Permitted Purpose, and is informed by the Party of the confidential nature of the Confidential Information and the obligations of the confidentiality to which such disclosure is subject and the Party shall ensure such employees or consultants honour such obligations;
- each Party shall notify the other Party of the name of each person or entity to whom any Confidential Information has been disclosed as soon as practicable after such disclosure;
- each Party shall ensure that any person or entity to which it discloses Confidential Information shall observe and perform all of the covenants the Party has accepted in this Agreement as if such person or entity has signed this Agreement. The Party disclosing the Confidential Information shall be responsible for any breach of the provisions of this Agreement by such person or entity; and
- each Party may by written notice to the other Party specify which of the Party’s employees, officers or agents are required to sign a non-disclosure undertaking.

25.2 The duties and obligations with regard to Confidential Information in this clause shall not apply where:

- a Party can demonstrate that such information is already in the public domain or becomes available to the public through no breach of this Agreement by that Party, or its Staff; or
- was rightfully in a Party’s possession prior to receipt from the other Party, as proven by the first-mentioned Party’s written records, without an infringement of an obligation or duty of confidentiality; or
- can be proved to have been rightfully received by a Party from a third party without a breach of a duty or obligation of confidentiality; or
- is independently developed by a Party as proven by its written records.

25.3 This clause shall survive termination for any reason of this Agreement and shall remain in force and effect from the Commencement Date of this Agreement and 5 [five] years after the termination of this Agreement. Upon termination of this Agreement, all documentation furnished to the Supplier/Service Provider by Transnet pursuant to this Agreement shall be returned to Transnet including, without limitation, all corporate identity equipment including dyes, blocks, labels, advertising matter, printing matter and the like.

26 INSURANCES

- 26.1 Without limiting the liability of the Supplier/Service Provider under this Agreement, the Supplier/Service Provider shall take out insurance in respect of all risks for which it is prudent for the Supplier/Service Provider to insure against, including any liability it may have as a result of its activities under this Agreement for theft, destruction, death or injury to any person and damage to property. The level of insurance will be kept under review by Transnet, on an annual basis, to ensure its adequacy, provided that any variation to the level of such insurance shall be entirely at the discretion of the Supplier/Service Provider.
- 26.2 The Supplier/Service Provider shall arrange insurance with reputable insurers and will produce to Transnet evidence of the existence of the policies on an annual basis within 30 [thirty] calendar days after date of policy renewals.
- 26.3 Subject to clause below, if the Supplier/Service Provider fails to effect adequate insurance under this clause, it shall notify Transnet in writing as soon as it becomes aware of the reduction or inadequate cover and Transnet may arrange or purchase such insurance on behalf of the Supplier/Service Provider. The Supplier/Service Provider shall promptly reimburse Transnet for any premiums paid provided such insurance protects the Supplier/Service Provider's liability. Transnet assumes no responsibility for such insurance being adequate to protect all of the Supplier/Service Provider's liability.
- 26.4 In the event that the Supplier/Service Provider receives written notice from its insurers advising of the termination of its insurance cover referred to in clause above or if the insurance ceases to be available upon commercially reasonable terms, the Supplier/Service Provider shall immediately notify Transnet in writing of such termination and/or unavailability, whereafter either the Supplier/Service Provider or Transnet may terminate this Agreement on giving the other Party not less than 30 [thirty] calendar days prior written notice to that effect.

27 LIMITATION OF LIABILITY

- 27.1 The Supplier/Service Provider's liability under this clause, shall be in addition to any warranty or condition of any kind, express or implied by law or otherwise, relating to the Goods/Services or ancillary Services, including the quality of the Goods/Services or ancillary Services or any materials delivered pursuant to this Agreement.
- 27.2 Neither Party excludes or limits liability to the other Party for:
- death or personal injury caused by its negligence, [including its employees', agents' or Subcontractors' negligence]; or
 - fraud or theft.
- 27.3 The Supplier/Service Provider shall indemnify and keep Transnet indemnified from and against liability for damage to any Transnet property [whether tangible or intangible] or any other loss, costs or damage suffered by Transnet to the extent that it results from any act of or omission by the Supplier/Service Provider or its Personnel in connection with this Agreement. The Supplier/Service Provider's liability arising out of this clause shall be limited to direct damages.
- 27.4 Subject always to clauses above, the liability of either the Supplier/Service Provider or Transnet under or in connection with this Agreement, whether for negligence, misrepresentation, breach of contract or otherwise, for direct loss or damage arising out of each Default or series of related Defaults shall not

exceed 100% [one hundred per cent] of the Fees paid under the schedule or Work Order to which the Default(s) relates.

27.5 Subject to clauses above, in no event shall either Party be liable to the other for indirect or consequential loss or damage or including indirect or consequential loss of profits, business, revenue, goodwill or anticipated savings of an indirect nature or loss or damage incurred by the other Party as a result of third party claims.

27.6 If for any reason the exclusion of liability in clause above is void or unenforceable, either Party's total liability for all loss or damage under this Agreement shall be as provided in clause above.

27.7 Nothing in this clause shall be taken as limiting the liability of the Parties in respect of clauses [Confidentiality] and [Intellectual Property Rights].

- Transnet shall be entitled to seek protection in respect of the Foreground Intellectual Property anywhere in the world as it shall decide in its own absolute discretion and the Service Provider shall reasonably assist Transnet in attaining and maintaining protection of the Foreground Intellectual Property.
- Where the Foreground Intellectual Property was created by the Service Provider or its researchers, agents and employees and where Transnet elects not to exercise its option to seek protection or decides to discontinue the financial support of the prosecution or maintenance of any such protection, Transnet shall notify the Service Provider who shall have the right of first refusal to file or continue prosecution or maintain any such applications and to maintain any protection issuing on the Foreground Intellectual Property.
- No consideration shall be paid by Transnet to the Service Provider for the assignment of any Foreground Intellectual Property from the Service Provider to Transnet, over and above the sums payable in terms of this Agreement. 28.5 Unauthorised Use of Intellectual Property

- The Service Provider agrees to notify Transnet in writing of any conflicting uses of, and applications of registrations of Patents, Designs and Trade Marks or any act of infringement, unfair competition or passing off involving the Intellectual Property of Transnet of which the Service Provider acquires

knowledge and Transnet shall have the right, as its own option, to proceed against any party infringing its Intellectual Property.

- The Service Provider shall cooperate to provide Transnet promptly with all relevant ascertainable facts.
- If proceedings are commenced by Transnet alone, Transnet shall be responsible for all expenses but shall be entitled to all damages or other awards arising out of such proceedings. If proceedings are commenced by both Parties, both Parties will be responsible for the expenses and both Parties shall be entitled to damages or other awards arising out of proceedings.

29 NON-WAIVER

29.1 Failure or neglect by either Party, at any time, to enforce any of the provisions of this Agreement, shall not in any manner be construed to be a waiver of any of that Party's rights in that regard and in terms of this Agreement.

29.2 Such failure or neglect shall not in any manner affect the continued, unaltered validity of this Agreement, or prejudice the right of that Party to institute subsequent action.

30 PARTIAL INVALIDITY

If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, or shall be required to be modified, the validity, legality and enforceability of the remaining provisions shall not be affected thereby.
