<b>Request for further extension from a Tenderer:</b>	<p>Motivation for extension from Tenderer:</p> <p>Good day,</p> <p>We hope this mail finds you well.</p> <p>We respectfully would like to ask for an extension on the closing date for this tender to 12/06/2026. The scope and volume of the work requires a week extra.</p> <p>Thank you for your understanding.</p>
<b>Extension requests not accepted</b>	<p><b>Motivation from the cross-functional team not to extend</b></p> <ol style="list-style-type: none"> <li>1) The Enquiry was issued with an original closing date of more than the standard 4 weeks.</li> <li>2) An extension was provided previously.</li> <li>3) The clarification meeting was conducted on the 08 May 2026, to further allow tenderers to seek clarification of the enquiries and receive oral responses, and furthermore all the presentations and the minutes were shared with the tenderers on the open tender platforms (NTCSA tender bulletin and NT tender portal).</li> <li>4) Granting further extensions may be interpreted as we are trying to unfairly accommodate a tenderer who is not ready vs those tenderers who have readily available solutions to tender.</li> </ol>

Your co-operation is appreciated

Yours faithfully,
