17 MISREPRESENTATION DURING THE LIFECYCLE OF THE CONTRACT

- 17.1 The bidding agency should note that the terms of its tender will be incorporated in the proposed contract by reference and that the department relies upon the bidder's tender as a material representation in making an award to a successful bidding agency and in concluding an agreement with said bidding agency.
- 17.2 It follows therefore that misrepresentations in a tender may give rise to service termination and a claim by the department against the bidder notwithstanding the conclusion of the SLA between the Department and the bidding agency for the provision of the service(s) in question. In the event of a conflict between the bidder's proposal and the SLA concluded between the parties, the contents of the SLA will prevail.

18 CONFIDENTIALITY

- 18.1 Except as may be required by the operation of law, by a court or by any regulatory authority having appropriate jurisdiction, no information contained in- or relating to this

bid or a bidding agency's bid will be disclosed by any bidder or other person not officially involved with the department's examination and evaluation of a bid.

- 18.2 No part of the bid may be distributed, reproduced, stored or transmitted, in any form or by any means, electronically, or by way of photocopying, recording or otherwise, in whole or in part except for the purpose of preparing a tender. This bid and any other documents supplied by the Department remain proprietary to the department and must be promptly returned to the department upon request, together with all copies, electronic versions, excerpts or summaries thereof or work as a consequence derived there from.
- 18.3 Throughout this bid process and thereafter, bidding agencies must secure the department's written approval prior to the release of any information that pertains to **(i)** the potential work or activities to which this bid relates; or **(ii)** the process which follows this bid. Failure to adhere to this requirement may result in disqualification from the bid process and civil action.
