TERMS OF REFERENCE FOR THE APPOINTMENT OF A SERVICE PROVIDER TO CONDUCT AN ASSESSMENT ON THE PROGRESS MADE IN THE IMPLEMENTATION OF THE NATIONAL TAXI LEKGOTLA RESOLUTIONS, GUIDE AND OVERSEE THE IMPLEMENTATION THEREOF AND ORGANISE A REPORT BACK CONFERENCE

1 BACKGROUND

- 1.1 The Department of Transport hosted a National Taxi Lekgotla from the 29th to 31st October 2020. This was after the Department undertook an extensive consultation process with key stakeholders in the taxi industry. The Taxi Lekgotla sought to assess the progress made in the implementation of the 1996 National Taxi Task Team (NTTT) recommendations.
- 1.2 The National Taxi Lekgotla acknowledged and reflected on the foundational work of the 1996 National Taxi Task Team, but also considered how to move forward and to build on that legacy. The National Taxi Lekgotla robustly engaged on the broad issues confronting the industry and the public transport sector, and established commissions or workstreams dealing with the following key four areas:
 - 1.2.1 Unity and Leadership,
 - 1.2.2 Industry Regulation,
 - 1.2.3 Industry Economic Empowerment, and
 - 1.2.4 Professionalisation and Customer Care.
- 1.3 As highlighted above, the National Taxi Lekgotla focused on the four main themes (relying on the foundational work of the 1996 National Taxi Lekgotla Final recommendations), but looked to unlock value on the following spaces:

BM

- 1.3.1 The experience of the passenger or commuter through a professional, reliable, safe and affordable service (i.e. the Taxi Industry will need to be transformed to meet this need);
 - 1.3.2 The operator, through economic incentives that broaden the base and lower operational costs which supports the overall delivery of a public transport service and improves the experience of users of such mode of transport; and
 - 1.3.3 Government, through increased taxi base, improved safety and effective regulation.
- 1.4 The Lekgotla process came up with several resolutions across the different themes and those needed to be implemented. However, due to the broad nature of the resolutions, the implementation process requires to be properly guided to ensure that all the resolutions are provided the required attention and the right skills. Thus, in order to give the process some traction, the Department is looking to bring in a service provider to provide assistance in guiding and overseeing the implementation process.

1.5 Problem Statement

The implementation process of the National Taxi Lekgotla Resolutions has been slow, delayed and not properly coordinated. There has been no dedicated or committed resources established to focus solely on the implementation of the resolutions and thus the implementation process remained stagnant. The Taxi Lekgotla resolutions cover a broad spectrum, including the Regulations and Legislation, Integrated Public Transport Networks, Economic Empowerment and Information Systems.

The intention is therefore to appoint a service provider to conduct an assessment of the progress in the implementation process. The service provider will be required to guide, oversee and organize a report back conference, where all the key stakeholders will be provided a platform to participate, reflect on the progress and work towards a sustainable implementation going forward.

2 SCOPE OF WORK

2.1 GOAL

The main goal of this project is to:

- 2.1.1 Undertake an assessment of the work already done in the implementation of the national taxi lekgotla resolutions;
- 2.1.2 Guide and oversee the implementation of the resolutions;
- 2.1.3 Organise/arrange a Report Back Conference where a full report will be provided to all the relevant stakeholders and a clear way forward provided;
- 2.2.4 Develop an Implementation Plan with clear resources required, including the activities, timelines, budgetary requirements and responsibilities.

2.2 OBJECTIVES (SCOPE OF WORK)

The objectives of this project are to:

- 2.2.1 Conduct an independent assessment on the progress made by the Department in the implementation of the National Taxi Lekgotla Resolutions.
- 2.2.2 Consult all relevant key stakeholders in the different provinces, Government Departments, Local Municipalities, institutions; e.g. Transport Educational Transport Authority (TETA), South African Revenue Services, (SARS), South African Local Government Association (SALGA), South African National Taxi Council (SANTACO), etc to establish the progress and amount of work done in the implementation of the resolutions and determine any outstanding work.
- 2.2.3 Guide and oversee the implementation of the National Taxi Lekgotla Resolutions process to ensure that the process is streamlined, coordinated and well structured.
- 2.2.4 Advise the Department on what approach to adopt in ensuring the full implementation of the resolutions and what mechanisms may be put in place to monitor and guide further progress in the implementation of the resolutions.
- 2.2.5 Consolidate the National Taxi Lekgotla Resolutions in terms of the different workstreams and provide guidelines to the Department on how each workstream

Bm

should approach the implementation process, including the work done in the different provinces, other Departments, Local municipalities and institutions.

- 2.2.6 Organise a Report Back Conference to report back to all the relevant stakeholders regarding the work that has been done already and identify the outstanding work as well as the plan to fast-track the implementation of the remaining resolutions.
- 2.2.7 Develop report back documentations in line with the four Commissions of the Taxi Lekgotla;
- 2.2.8 Develop presentations that will guide the process regarding the progress and outstanding work in as far as the implementation of resolutions is concerned.
- 2.2.9 Provide post conference services including the comprehensive report detailing the report back conference proceedings, consolidated resolutions and develop a clear implementable Implementation Plan that provides a clear way forward, with timelines, activities, budgetary requirements and responsibilities.

2.3 SKILLS REQUIRED

- 2.3.1 Knowledge and experience in working with the taxi industry.
- 2.3.2 Knowledge and expertise in Monitoring and Evaluation.
- 2.3.3 Research, Business transition and development skills.
- 2.3.4 Programme and Project management.
- 2.3.5 Presentation and facilitation skills.
- 2.3.6 Report writing and editing.
- 2.3.7 Project planning and implementation skills.
- 2.3.8 Organisation and event management skills.

2.4 DELIVERABLES

This must cover the progress made by the Department of Transport, Other National Departments, Provincial Departments of Transport, Local Municipalities, TETA, SARS, SALGA, SANTACO and other relevant key stakeholders. The report should detail the progress made, challenges, opportunities, and setbacks and other related issues faced in the implementation of the Taxi Lekgotla resolutions and propose solutions in addressing those. The report should provide advice, proposed interventions to the Department on the best method and approach to adopt in order to successfully implement the resolutions going forward. Information to be collected through visits and consultations with all listed and other relevant stakeholders.
- 2.4.2 A detailed implementation plan to be adopted by the Department as a guide. The implementation plan should clearly cover all the resolutions, activities, timeframes, budgets and responsible institutions for the implementation of the resolutions and any other relevant information (for example, what must happen and by when and by who, etc)

- 6.9.1 Poor performance will result in penalties that include withholding of a minimum 30% of the total invoice of each affected phase / milestone until it is fixed before the final product is submitted. In the case where the performance has not been improved to the satisfaction of the Department and the final product is handed over, the original amount held back will not be paid over to the Service Provider under any circumstances. On the other hand, an improved quality and/or performance, at the satisfaction of the Department, will require the outstanding part of the held back invoice to be paid to the Service Provider in full but with no additional interest.
- 6.9.2 The project milestones / phases are expected to be adhered to. Any deviation must be approved by the Department prior to any commencement of the changes. Failure to do so will result in a 5% non-payment of that particular and/or affected phase(s).

Bm

- 6.9.3 Notwithstanding item 6.9.2 above, failure to meet the deadline as stipulated in item 8 will result in 30% of the total outstanding payments for the project as whole not being paid over to the Service Provider if the poor performance is attributed to the Service Provider unless there is undisputed evidence that the fault lies with the Department.”
