hospitals and/or the Western Cape Warehouse and within 48 to 72 hours after receiving subsequent orders. The supplier shall ensure the integrity of the goods while in transit.

Bidders will be obliged to deliver stock in accordance with the Department's delivery conditions in the WCBD 3.1 (bid specification). A written indication to this effect is required from bidders in the questionnaire following each bid specification. Failure to comply with this requirement will invalidate your offer. In this regard you are referred to Provincial Treasury Practice Note 6, which states:

- (i) *It often happens that bidders, in contrast with the special conditions stipulated in the bid document, set their own conditions, which might contradict or be in conflict with the bid conditions. When it is in the interest of the Department to accept such conditions, and insofar as these conditions do not prejudice other bidders, recommendations for its acceptance may be made to the person executing his delegated power.*
- (ii) *However, where it is not in the interest of the Department to accept same, or prejudicial to other bidders, the bidder may be requested to renounce/withdraw these conditions. ...If the condition is of such a nature that it is materially unacceptable, the bid may be invalidated. In this instance the bidder must be informed in clear terms of the consequence should he fail to adhere to the abovementioned request.*

DEFINITION OF PRICING STRUCTURES

For the purpose of this bid the following explanations are provided:

1. Firm prices

- 1.1 Firm prices means **prices which are only subject to adjustments in accordance with the actual increase or decrease** resulting from the changes, imposition or abolition of customs or excise duty and any other duty, levy, or tax which is binding upon the **contractor** in terms of a law or regulation and has a demonstrable influence on the prices of any supplies, for the execution of the contract.

The following two pricing structures will also be considered as firm prices – **please note that a combination of these two pricing structures will not be allowed:**

- 1.2 Firm prices linked to fixed period adjustments, i.e. TWO tier prices (firm 1st, 2nd and 3rd year prices), and only subject to the variables indicated in the above paragraph.
- 1.3 Firm prices subject to rate of exchange variations. (It is compulsory that the table below be completed for prices subject to rate of exchange variations).

Note: All claims for rate of exchange must be made **within 60 days of delivery** in order for bidders to qualify for price adjustments.

Any advantage due to a more profitable exchange rate must be passed on to the Western Cape Government.

Please furnish full particulars of your financial institution, state the currencies used in the conversion of the prices of the items to South African currency, which portion of the price is subject to rate of exchange variations and the amounts remitted abroad.

2.2 In cases where prices are subject to the escalation formula, the following table must be completed.

In this category price escalations will only be considered in terms of the following:

$$Pa = (1 - V)Pt \left(D1 \frac{R1t}{R1o} + D2 \frac{R2t}{R2o} + D3 \frac{R3t}{R3o} + \dots Dn \frac{Rnt}{Rno} \right) + VPt$$

Where:

- Pa = The new escalated price to be calculated.
- (1-V) P = 85% of the original bid price. Note that Pt must always be the original bid price and not an escalated price.
- D1, D2 = Each factor of the bid price e.g. labour, transport, clothing, footwear, etc. The total of the various factors D1, D2 etc. must add up to 100%.
- R1t, R2t = Index figure obtained from new index (depends on the number of factors used).
- R1o, R2o = Index figure at time of bidding.
- VPt = 15% of the original bid price. This portion of the bid price remains firm i.e. it is not subject to any price escalations.

3. The following index/indices was/were used to calculate the bid price:

- 3.1 Indexdated Indexdated Indexdated
- Indexdated Indexdated Indexdated

3.2 Please furnish a breakdown of your price in terms of above-mentioned formula. The total of the various factors must add up to 100%.

SECTION 7

THE NATIONAL INDUSTRIAL PARTICIPATION PROGRAMME

THIS DOCUMENT MUST BE SIGNED AND SUBMITTED TOGETHER WITH YOU BID.

INTRODUCTION

The National Industrial Participation Programme (NIP), which is applicable to all government procurement contracts that have an imported content, became effective on 1 September 1996. The NIP policy and guidelines were fully endorsed by Cabinet on 30 April 1997. In terms of the Cabinet decision, all state and parastatal purchases/lease contracts (for goods, works and services) entered into after this date, are subject to the NIP requirements. NIP is obligatory and therefore must be complied with. The Industrial Participation Secretariat (IPS) of the Department of Trade and Industry (DTI) is charged with the responsibility of administering the programme.

1. PILLARS OF THE PROGRAMME

1.1 The NIP obligation is benchmarked on the imported content of the contract. Any contract having an imported content equal to, or exceeding, US\$ 10 million or other currency equivalent to US\$ 10 million, will have an NIP obligation. The threshold of US\$ 10 million can be reached as follows:

- (a) Any single contract with imported content exceeding US\$ 10 million.
or
- (b) Multiple contracts for the same goods, works or services, each with imported content exceeding US\$ 3 million awarded to one seller over a 2 year period, which in total exceeds US\$ 10 million.
or
- (c) A contract with a renewable option clause where, should the option be exercised, the total value of the imported content will exceed US\$ 10 million.
or
- (d) Multiple suppliers of the same goods, works or services under the same contract, where the value of the imported content of each allocation is equal to, or exceeds, US\$ 3 million worth of goods, works or services to the same government institution, which in total, over a 2 year period, exceeds US\$ 10 million.

1.2 The NIP obligation applicable to suppliers in respect of sub-paragraphs 1.1 (a) to 1.1 (c) above will amount to 30% of the imported content, whilst suppliers in respect of paragraph 1.1 (d) shall incur 30% of the total NIP obligation on a *pro rata* basis.

1.3 To satisfy the NIP obligation, the DTI would negotiate and conclude agreements such as investments, joint ventures, sub-contracting, licensee production, export promotion, sourcing arrangements and research and development (R & D) with partners or suppliers.

1.4 A period of 7 years has been identified as the timeframe within which to discharge the obligation.

2. REQUIREMENTS OF THE DEPARTMENT OF TRADE AND INDUSTRY

2.1 In order to ensure effective implementation of the programme, successful bidders (contractors) are required, immediately after the award of a contract that is in excess of R10 million (ten million Rands), to submit details of such a contract to the DTI for reporting purposes.

2.2 The purpose of reporting details of contracts in excess of the amount of R10 million is to cater for multiple contracts for the same goods, works or services, renewable contracts and multiple suppliers for the same goods, works or services under the same contract as provided for in the aforementioned sub-paragraphs 1.1 (b) to 1.1 (d).

3. BID SUBMISSION AND CONTRACT REPORTING REQUIREMENTS OF BIDDERS AND SUCCESSFUL BIDDERS (CONTRACTORS)

3.1 Bidders are required to sign and submit this WCBD5 document together with the bid on the closing date and time.

3.2 In order to accommodate multiple contracts for the same goods, works or services, renewable contracts and multiple suppliers for the same goods, works or services under the same contract as indicated in sub-paragraphs 1.1(b) to 1.1(d), and to enable the DTI in determining the NIP obligation, successful bidders (contractors) are required, immediately after being officially notified about any successful bid with a value in excess of R10 million, to contact and furnish the DTI with the following information:

- Bid/contract number.
- Description of goods, works or services.
- Name on which the contract was accepted.
- Name, address and contact details of the government institution.
- Value of the contract.
- Imported content of the contract, if possible.

3.3 The information required in paragraph 3.2 above must be sent to the Department of Trade and Industry, Private Bag X84, Pretoria, 0001 for the attention of Mr Elias Malapane within 5 (Two) working days after award of the contract. Mr Malapane may be contacted on telephone (012) 394-1401, facsimile (012) 394-2401 or e-mail at elias@thedti.gov.za for further details about the programme.

4. PROCESS TO SATISFY THE NIP OBLIGATION

4.1 Once the successful bidder (contractor) has made contact and furnished the DTI with the information required, the following steps will be followed:

- (a) the contractor and the DTI will determine the NIP obligation;
- (b) the contractor and the DTI will sign the NIP obligation agreement;
- (c) the contractor will submit a performance guarantee to the DTI;
- (d) the contractor will submit a business concept for consideration and approval by the DTI;
- (e) upon approval of the business concept by the DTI, the contractor will submit detailed business plans outlining the business concepts;
- (f) the contractor will implement the business plans, and
- (g) the contractor will submit bi-annual progress reports on approved plans to the DTI.

4.2 THE NIP obligation agreement is between the DTI and the successful bidder (contractor) and therefore does not involve the purchasing institution.
