2. SPECIFICATIONS / CRITERIA

- The Atlantis Special Economic Zone Company SOC Ltd (ASEZCo) seeks to appoint a credible service provider to provide a once-off inspection of the entire fire-water system at the EGL Building (33°35'18.8"S 18°29'12.4"E). The specialist must be familiar with, and demonstrate the ability to comply with the South African National Standards (SANS 10400 – National Building Regulations) and SANS 1475 – Fire Safety and servicing of portable fire extinguishers

The scope of work includes:

- Full inspection of the building's fire-water system to assess functionality and compliance.
- Identification and documentation of any anomalies or non-compliance issues.

Provision of a comprehensive report detailing:

- Compliance status.
- All findings and observations.
- Recommended corrective actions with cost estimates.
- Issuance of a compliance certificate.
- Submission of a close-out report following the completion of the inspection.

2.1 Bidders are required to submit their quotations in the following format:

SPECIFICATIONS					
No.	Item Description	QTY	Unit of Measure	Unit Price	Total Price
1	<ul style="list-style-type: none"> Conduct a full inspection of the entire fire-water system to verify functionality, operational integrity, and compliance with applicable standards. Identify and record any anomalies, defects, or non-compliance issues within the system. Compile and submit a detailed inspection report, including confirmation that the system was inspected, description of findings and identified anomalies and recommended corrective actions, including cost estimates for each recommendation. Issue a valid Certificate of Compliance upon satisfactory inspection results. Provide a comprehensive close-out report once all inspection activities and reporting obligations have been completed. 	6 hrs.	Rate per /hour	R	R
Subtotal					R
VAT					R
Total Cost Inclusive of 15% VAT (If VAT is applicable)					R

3. MINIMUM REQUIREMENTS

3.1 Bidders that fail to submit any of the following, will be rendered non-responsive and will not be evaluated:

- Quotation was per section 2.2
- The assigned specialist must have a minimum of seven (7) years post-qualification experience in fire-water systems inspections. A detailed Curriculum Vitae (CV) of the assigned specialist must be attached, clearly outlining relevant experience and qualifications.
- A minimum of three (3) relevant reference letters must be submitted. Each reference letter must be on the client's official letterhead and clearly indicate the following:

Client name and contact details

Description of the services rendered

Duration of the contract (services must have been rendered within the last seven (7) years)

- The assigned specialist must be certified and/or accredited by at least one of the following recognised South African authorities or industry bodies and a copy of the certification to be submitted:
 - South African Institution of Fire Engineers (SAIFE)
 - Fire Protection Association of South Africa (FPASA)
 - South African Qualification & Certification Committee (SAQCC) – Fire
- The bidder must be accredited and qualified to issue a valid Certificate of Compliance following the inspection.
- A valid COIDA (Compensation for Occupational Injuries and Diseases Act) registration certificate must be submitted.
- The bidder must provide proof of valid Professional Indemnity Insurance, sufficient to cover potential legal liability arising from any omissions or errors in the specialist's report or recommendations.
- Bidders must be registered on Central Supplier Database (CSD) and have active status on or before the closing date and time of the bid, and submit CSD report or MAAA number.
- WCBD-4 form (attached) completed and stamped, signed and dated by a commissioner of oaths must be valid for 12 months.
- Each party participating in a Joint Venture or Consortium must be tax compliant and must provide a WCBD 4.

4. EVALUATION METHODOLOGY

4.1 Bids shall be evaluated in terms of the following phases:

4.1.1 Phase 1 - Compliance Checking

During this phase, bids will be verified against the minimum requirements as set out in this Request for Quotations (RFQ).

4.1.2 Phase 2: 80/20 Preference Points System

Only qualifying bids will be evaluated in terms of the 80/20 preference points system, where the 80 points will be used for price and the 20 points are awarded to the bidder for attaining B-BBEE status level contributor in accordance with their BEE Certificate or affidavit.

B-BBEE points may be allocated to bidders on submission of the following documentation or evidence:

- A duly completed Preference Point Claim Form: Standard Bidding Document (WCBD 6.1); and
- B-BBEE Certificate / Affidavit

The bidder with the highest total number of points will be awarded the contract.

5. TERMS AND CONDITIONS

- 5.1 The quotation is subject to the General Conditions of Contract and the terms and conditions hereof.
- 5.2 The invoice should include the hours worked when the assessment was done and a report with all the findings and recommendations proposed.
- 5.3 All quoted prices will be deemed to include VAT.
- 5.4 Quotations must be valid for 30-working days except where otherwise specified.
- 5.5 The ASEZCo reserves the right not to accept any quotation and to re-invite fresh quotations.
- 5.6 B-BBEE points may be allocated to bidders on submission of the following completed Preference Point Claim Form: Standard Bidding Document (WCBD 6.1); and B-BBEE Certificate / Affidavit completed and stamped, signed and dated by a commissioner of oaths.
- 5.7 The ASEZCo reserves the right to request any additional information and/or samples of items quoted.
- 5.8 Failure to comply with product specifications & inability to meet delivery times will render a quotation non-responsive.
- 5.9 The taxes of the successful bidder must be in order.
- 5.10 All delivery costs must be included in the quoted price, for delivery at the prescribed destination.
- 5.11 All goods supplied must be approved by the South African Bureau of Standards (SABS) (where applicable).
- 5.12 Prospective bidders' registration on the Central Supplier Database (CSD) must be valid at the time of bid closure. Please check status on www.csd.gov.za.
- 5.13 Where a bidder is not tax compliant, the ASEZCo will notify the bidder in writing of their non-compliant status and the bidder will be requested to submit written proof from SARS of their tax compliance status or proof that they have made an arrangement to meet their outstanding tax obligations within 7-working days.
- 5.14 No late or incomplete quotations will be accepted.
- 5.15 The following particulars of bidders must be stated on all quotations:
- a) Name of company
 - b) Address
 - c) Contact details (E-mail & Telephone number)
 - d) VAT registration number

-
- e) The MAAA Central Supplier Database (CSD) Number

6. IMPORTANT NOTES TO BIDDERS

- 6.1 Please return your quotation to the person listed under bid particulars on or before closing date and time.
- 6.2 **No late or incomplete quotations will be accepted.**
- 6.3 Please complete price per each unit item.
- 6.4 The ASEZCo strongly condemns any form of fronting. Therefore, in ensuring that bidders conduct themselves in an honest manner, the ASEZCo will, as part of the bid evaluation processes, conduct, or initiate the necessary enquiries / investigations in determining the accuracy of the representations made in bid documents / proposals.

7. JOINT VENTURE / CONSORTIUM / TRUST

- 7.1 A joint venture, consortium or trust will qualify for points on evaluation of their B-BBEE status level as a legal entity, provided that the entity submits the requisite B-BBEE status level certificate.
- 7.2 Bidders must submit substantive proof of the existence of joint ventures and/or consortium arrangements. The ASEZCo will accept signed agreements as satisfactory proof for the existence of a joint venture and/or consortium arrangement.
- 7.3 Joint venture and/or consortium agreements must clearly set out the roles and responsibilities of the lead partner. The agreement must also clearly identify the lead partner that is accordingly provided with a power of attorney to bind the other co-parties in all matters pertaining to the joint venture and/or consortium arrangement.

8. CONTRACTUAL ASPECTS

- 8.1 The contents of this document shall be deemed to constitute the Special Conditions of Contract applicable to this bid and shall be read together with the General Conditions of Contract issued in accordance with Chapter 16A of the Treasury Regulations.
- 8.2 Where, however, the Special Conditions of Contract are in conflict with the General Conditions of Contract, the Special Conditions of Contract shall prevail.
- 8.3 The bid document, together with the specifications contained in this document, shall constitute part of the Contract.
- 8.4 Bidders shall not perform any work or render any services in terms of the Contract unless in receipt of a written instruction to this effect by the ASEZCo. The successful bidder may not assign its obligations.

- 8.5 The successful bidder must advise the CFO of ASEZCo immediately when unforeseeable circumstances will adversely affect the execution of the contract. Full particulars of such circumstances as well as the period of delay must be furnished.

9. LOCAL LABOUR / EMPLOYMENT

- 9.1 Awarded bidders may be required to utilise local labour for employment (as appropriate)
- 9.2 The following to be actively considered/requested at time of project scoping:
- The provision of opportunities for Small, Medium and Micro- Business Enterprises(SMMEs).
 - The provision of work opportunities for local labour in the Atlantis and surrounding areas, including consideration for internships, job shadowing and work experience.

10. PERFORMANCE VERIFICATION

- 10.1 The ASEZCo's appointed contract manager or agent verifies that the performance of this contract in terms of services, delivery service, goods, labour and any other element specified in this contract is at the contracted performance level and/or the goods meet the contracted specifications with the represented of the contracted provider. Both parties verify this through signing the verification documentation. Both parties, at this time, agree on quantity, unit cost and total value on the same signed document.

11. DISCLAIMER

- 11.1 The ASEZCo has produced this document in good faith. The ASEZCo, its agents, and its employees and associates do not warrant its accuracy or completeness; make no representation, warranty, assurance, guarantee or endorsements to any third parties concerning the document. The ASEZCo has no liability towards the bidders in connection therewith.
- 11.2 Bidders must make and rely on their own investigations and satisfy themselves as to the correctness of all aspects of the bid. The ASEZCo will not be liable for any incorrect or potentially misleading information in relation to any part of this document and any accompanying bid documents.
- 11.3 The ASEZCo reserves the right not to appoint any contracted partner who does not comply with the conditions of this bid or if information is obtained by the ASEZCo about a bidder that could put the ASEZCo at risk.
- 11.4 The ASEZCo reserves the right to cancel this bid should the budget not be available at the time of award to cover the full quote of this bid or if the need does not exist anymore or the specification has changed.
- 11.5 It must be noted that the Atlantis Special Economic Zone reserves its right to:
- a) Award the bid to a bidder other than the highest scoring bidder where objective criteria allow.
