		Effective Date	July 2024		
		Review Date	July 2027		

Dear Sir / Madam

Description / Project Title	The design, manufacture at works, testing, quality assurance, delivery to site or NTCSA stores, off-loading, installation, commissioning, development of training material and provision of training for Lithium-iron Phosphate Batteries to be used within NTCSA.
Request for RFP/RFI/Enquiry No	MWP3045NTCSA
Enquiry issue date	17 February 2025
Enquiry original closing date	24 March 2025
Proposed new enquiry closing date	07 April 2025
Motivation for extension	Following the site visits to the Uitvalskop and Britskop radio sites, supplier gained a deeper understanding of the level of detail required for our response to this tender. The supplier requested extension of submission date to allow for the compilation of a comprehensive response.

Your co-operation is appreciated

Yours faithfully,

Matshipi Mosima
