1. RECTIFICATION OF CLERICAL ERROR (ERRATUM)

An internal date discrepancy has been noted within the original RFI document regarding the closing date:

To facilitate ease of submission and enhance administrative efficiency, an alternative electronic submission route has been established.

In addition to any physical submission methods outlined in the original document, respondents may now alternatively submit their complete information packs via email:

- **Designated Email Address:** Emily.Marishane@lieda.co.za or Sourcing@lieda.co.za.
- **Email Subject Title Rule:** RFI/01/05/26 – [Insert Respondent Name] – Submission.

Note on Submissions: Please do not email your RFI response as a single, large attachment. Instead, kindly split your submission into multiple attachments of no more than **5MB** each.
