TOTAL FREIGHT FORWARDING COST								
CPI (%)								

Pricing requirements / clarification:

- Provide rates for Air Freight, Sea Freight and Road Freight, where applicable.
- State the average transit time for each applicable freight mode.
- Clearly indicate whether rates are port-to-port, airport-to-airport or door-to-door.
- Identify all origin, destination, handling, customs and other applicable charges.
- Provide the applicable CPI/escalation mechanism for the full three (3)-year contract period.
- **Items listed in red in the original schedule are cost-to-port, not cost-to-door.**

Currency: Bidders to state currency clearly. Where applicable, provide both USD (\$) and South African Rand (R) as well as the applicable rate of exchange
