**RFQ 44 of 2023: APPOINTMENT OF A SERVICE PROVIDER FOR THE UPDATE/AUDIT OF
DIGITAL INVENTORY AND PROVENANCE (AUDIT FOR THE NELSON MANDELA MUSEUM
COLLECTION: HERITAGE AND CONSERVATION UNIT**

1. PURPOSE

To invite suitably qualified service providers to submit quotations for the compilation of the digital inventory and provenance research services for the Nelson Mandela Museum at Bhunga Building Mthatha.

2. BACKGROUND

The Nelson Mandela Museum (NMM) is an agency of the National Department of Sport, Arts, and Culture, a declared cultural institution under the Cultural Institution Act No 119 of 1998 established in February 2000. It is mandated to collect, research, protect, preserve, conserve and manage collection of gifts (herein known as Gift to the nation)/presents and awards bestowed to its founding Icon Dr Nelson Rolihlahla Mandela.

The museum works primarily in two sites; Bhunga Building in Mthatha and Nelson Mandela Youth & Heritage Centre in Qunu (NMYHC). Bhunga Building is where the historical collection is housed and exhibited for national and international museum patrons. The NMM has a strong footprint in historical areas like Mvezo, Qunu, Mqhekezweni, Qokolweni, and Clarkebury for the benefit of future generations. The museum is responsible for providing content related to all its collections in a manner that complies with international museum standards.

THE SERVICE PROVIDER WILL BE REQUIRED TO PERFORM THE FOLLOWING DUTIES:

3. SCOPE OF SERVICES

To achieve its objectives, the museum must comply with section 39 of the National Heritage Resources Act No 25 of 1999, which requires that the South African Heritage Resources Agency must compile and maintain an inventory of the national estate (a database of information on heritage resources worthy of conservation). In 2018, the South African Heritage Resources Agency (SAHRA) identified the NMM collection as worthy of declaration as a national estate. This declaration is subject to meeting the required standards set in the National Heritage Resources Act No. 25 of 1999. The collection must be well documented, preserved, conservation practices in place and be traceable through a well-maintained inventory. These demands make it necessary to have this collection well identified, documented, protected, preserved, conserved and well stored with an up-to-date inventory of the collection of the national estate within heritage resources in the Republic of South Africa.

Before declaring this collection, SAHRA will conduct an audit of all collection of objects the NMM is housing in Bhunga Building site (where almost 4000 objects are housed and exhibited). The NMM is an entity that is expected to also comply with the GRAP103 prescript, this prescript requires that heritage assets must be valued and reported under the annual financial statements of the Museum.

The museum collection consists of about 4000 objects that include artworks, photographs, portraits, letters, fabrics, percaline fabrics, porcelain, glasses, model of buildings in the form of wooden structures, steel artworks, state gifts and various gift materials.

This request for a quote will serve as an intervention to meet the compliance requirement for collection to be officially declared by SAHRA as advised since 2018. These include an up-to-date inventory (digital). This project will also provide an opportunity to ensure that the NMM is among leading institutions in the province (eastern Cape) with the objects within SAHRA's ownership, objects that are known, well conserved and managed in accordance with the best practice.

- 3.1 Audit object metadata and completing provenance (documentation entail every aspect of the collection/verification of objects ownership)
- 3.2 Update NMM Venom System Inventory with shared metadata (existing pictures)
- 3.3 Updating and compiling of NMM collection inventory to ensure compliance as required by the SAHRA standard object template, including the current location of each object.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

* Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
