GROUP PROPERTY

TENDER FOR THE LEASING OF RENTAL FREE OFFICE SPACE IN REGION 1, INCLUSIVE OF OFFICE SPACE AND PARKING FACILITIES FOR 5 YEARS

**BID NUMBER:
GPM 19 2025/26**

1. INTRODUCTION AND PURPOSE

Bidders are invited to submit bids for office space with a GLA of between 500m² – 3000 m², that satisfies the requirements for the City's office accommodation in Region 1. The office accommodation includes offices and amenities; tenant installation and parking, at zero cost to the City.

- The cover page and Annexures must include the Bid Number and Bid Description
- The bidder may offer different buildings with a minimum of 500 m²
- Annexures must be completed and signed by each bidder.

2. BACKGROUND

The City of Tshwane (COT) is responsible for providing service delivery to the communities in the metropolitan area. Part of the service delivery process requires clients to visit COT offices in order to fulfil certain requirements of this offering i.e., Municipal service account enquiries and payment. These municipal services are broad ranging from household and business services, car licensing services, court related services etc.

Region 1 is situated in the northwestern part of City of Tshwane Metropolitan area and is the most populous, with a total population of approximately 998,000 accounting for 27.2% of the metropolitan population.

Currently, the City has no readily available office space to efficiently meet the demand of easily accessible services within the Region 1 Core and Metropolitan nodes, in order to provide these services to the community.

This type of facility should initially be aligned to the Spatial Development Framework through providing the right facilities in the precise location as follows:

- Convenience, as all services are located at a central point, allowing people to accomplish more tasks in a single journey, equating to savings in both time and money.

- Reduction in the cost of providing public facilities through the sharing of resources, equipment, and land.
- Provision of greater security.

We believe that this can be achieved through collaboration and effort between the different sectors of the economy and communities in order to further drive economic growth and spatial inclusion.

The bid is focused on seeking the relevant rental free office space which meets these requirements.

3. SPECIFICATION

Interpretation:

1. “Zero Cost” means:

- Donate the premises for COT to operate within their trading hours for the centres, the premises including offices and parking for an agreed period of no less than 5 years.
- The COT would not pay rental for the premises and parking offered, therefore the rental costs would be R0.
- The COT would not pay operational costs for the premises offered, therefore the operational costs would be R0.
- The utilities for the premises would be charged to the COT as per the consumption for electricity, water, sewer and refuse.
- The potential landlord would offer to pay for tenant installation that is standard and in compliance with the South African laws and regulations.
- A standard agreement would be drafted and agreed between both parties to formalise the terms and conditions.

2. “Approximately” means close to a particular time, measurement, or number. The permissible variance is 5%.

3.1. BUILDINGS SUMMARY

The City has done an assessment of the needs requirements for the office space per department.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
