- 1.2 Furthermore, the National Development Plan (NDP) proposes an urban development strategy comprising both economic and institutional reforms. Progress needs to be made towards breaking apartheid spatial patterns and integrating residential and commercial hubs in our cities and towns to create integrated sustainable human settlements.
- 1.3 To achieve the vision of integrated sustainable human settlements and improve the quality of household life, the Department is currently developing comprehensive Limpopo Multi-Year Human Settlement Development Plan for 2025 to 2029, for implementation of integrated sustainable human settlement development programmes.
- 1.4 In March 2011 the Department developed a framework for the formalization of informal settlements in the province. 83 Informal settlements were identified in the Limpopo province. - 1.6 The Department of Cooperative Governance, Human Settlements and Traditional Affairs (herein referred to as COGHSTA) is responsible for, among others, human settlement programs aimed at formalizing informal settlements in the Limpopo Province.
- 1.7 As part of the delivery of these human settlement programs, COGHSTA would like to procure services of registered Town and Regional Planners and land Surveyors to conduct processes related to township establishment and demarcation of sites utilizing the applicable pieces of legislations, i.e., Spatial Planning and Land Use Management Act, 16 Of 2013 and municipalities Spatial Planning and Land use Management By-Laws.
- 1.8 These Terms of Reference (TOR) outline broadly the scope of work expected from professional service providers to be appointed by COGHSTA. The TOR form part of the Request for Proposal (RFP) issued by COGHSTA to the public.
