

NKANGALA DISTRICT MUNICIPALITY

APPOINTMENT OF SUITABLE SERVICE PROVIDERS FOR THE COMPREHENSIVE PROCUREMENT OF ICT SOFTWARE SOLUTIONS FOR NKANGALA DISTRICT MUNICIPALITY FOR A PERIOD OF THREE (03) YEARS (AS AND WHEN REQUIRED)

SCOPE OF WORK

SCOPE OF WORKS

1. INTRODUCTION AND BACKGROUND

To conduct its business, the Municipality needs various software applications. The applications were acquired through licenses that must, from time-to-time, be renewed. In other instances, driven by a need OR the introduction of new technology, the municipality may need to acquire new software application systems. The Municipality may request the Original Software Developer (Original Equipment Manufacturer (OeM)) to provide a quotation and the service provider will use the quotation as the basis for adding the markup based on the pre-defined percentage on the bill of quantities.

2. TERMS OF REFERENCE

The purpose of this tender is to acquire the services and products of a competent service provider to provide licensing and new application software to Nkangala District Municipality users.

The following is the list of existing software applications:

- Phonex One application Software
- Manage Engine Products
- SLL Certificates
- Web hosting and plugins
- Oracle
- VMWare
- Veeam and Veeam One Software Solutions
- TeamViewer
- Microsoft Products
