ADDENDUM – Bid/RFQ 2216

Dear Service Provider

APPOINTMENT OF A SERVICE PROVIDER TO PROVISION AN INFORMATION AND COMMUNICATIONS TECHNOLOGY DISASTER RECOVERY SOLUTION FOR THE MINE HEALTH AND SAFETY COUNCIL FOR A PERIOD OF 36 MONTHS.

This Addendum, which forms an integral part of the abovementioned project and is binding on all parties, serves to notify bidders of the amendments to the RFQ document appended thereto.

The corrigendum pertains to the contract period is hereby amended due to an administrative misalignment in the original RFQ. The duration shall be **FOR A PERIOD OF 12 MONTHS**, and **not 36 months** as previously stipulated. A revised version of the RFQ document, incorporating the abovementioned correction is attached to this addendum. Bidders are hereby advised utilising the updated form for the purpose of submission.

All terms and conditions, specifications and requirements contained in the original RFQ remain unchanged, unaltered and in full force and effect. Service providers are required to take cognisance of these additions and ensure that their submissions are aligned therewith.

All enquiries and requests for clarification relating to this Addendum must be submitted in writing to the MHSC Supply Chain Management Unit via email at ebids@mhsc.org.za. For the sake of procedural fairness and transparency, MHSC shall not entertain any verbal, telephonic, or ad hoc enquiries. All clarifications issued in response to written enquiries shall be communicated to all prospective service providers through a further addendum, to ensure equitable access to information.

Kind Regards,

Supply Chain Management Unit

Mine Health and Safety Council

Every mine worker returning from work unharmed every day. Striving for Zero Harm in our lifetime.
