

**Specifications for the purchasing of branded fabric face masks in lieu of COVID-19
Lockdown Level 3 and beyond.**

Brief: The Agricultural Research Council seeks to appoint a suitable Supplier for the design, layout, print and sewing of a 3-layered fabric (cotton) face-mask with elastic ear loops for employees. The ARC-Logo (width 60mm x height 45mm) in white placed on the left chick of each of the top 3 mask and black on the white mask. **The ARC-Logo and colours will be provided.**

1. Quantity: 600

150 in the 100% Pantone brown Corporate or closest Colour

150 in the 60% Pantone green Corporate or closest Colour.

150 in Navy Blue

150 in White

2. Considerations

- Must wear comfortably
- It should cover your nose and mouth without large gaps. It should have a bendable border at the top to enable one to mold the mask to fit the bridge of ones nose and prevent glasses from fogging
- The mask should have elastic ear loops

3. Sizes: Adult One Size Fits All

Delivery Address: Agricultural Research Council

1134 Park Street

Hatfield,

Pretoria, 0028

5. Checklist

The (visual) layout and design (structural and placement on the left chick) will be used to determine if the Supplier followed the brief.

NB: Let the visual presentation be a carbon copy of the final product

Name of Item	Quantity	Compliance
Critical Structural Elements		
ARC-Logo on the left side of the chick		
Corporate colours followed 100% Panton Brown, 60% Pantone Green, Navy and White		

Please submit a sample before production of the lot.
