

SIYANCUMA LOCAL MUNICIPALITY
TENDER NO. SIYA 05/2024
CAMPBELL BULK WATER AUGMENTATION

TENDER NOTICE AND INVITATION TO TENDER

The Siyancuma Local Municipality invites suitably and qualifying service providers to submit tenders for:

➤ **TENDER NO. SIYA 05/2024 – CAMPBELL BULK WATER AUGMENTATION.**

It is estimated that prospective tenderers should have a CIDB contractor grading designation of **7CE or higher**. Bids will be evaluated in accordance with Method 2: Financial Offer and Preference. Only eligible tenders will be evaluated according to the **80/20** PPPFA point system.

The conditions of tender, contract data, scope of works and pricing data are contained in the tender document which will be available from **Tuesday, 23 January 2024**, from Siyancuma Local Municipality at a cost of R1 500-00 (cash, non-refundable). Tender documents collection arrangements and supply chain enquiries may be directed to the **Supply Chain Management Office on Tel. No. (053) 298 1810**.

A **compulsory Clarification Meeting** with representatives from the Siyancuma Local Municipality will be held on **Friday, 26 January 2024** at the **municipal offices of Siyancuma Local Municipality in CAMPBELL**, commencing promptly **at 10h00**. Only tenderers who attend the compulsory Clarification Meeting shall be eligible to tender. Technical enquiries may be directed to Mr. X. Geco on Tel. No. (053) 298 1810 and e-mail – geco@siyancuma.co.za.

The closing date and time for receipt of tenders is **Monday, 19 February 2024 at 12h00**. Sealed Tenders endorsed on the envelope with the Tenderer's name and the Contract Name and Number shall be deposited in the formal **Tender Box situated at the Siyancuma Local Municipality, Charl Cilliers Street, Civic Centre, DOUGLAS, before closing date and time** listed above.

Telephonic, telegraphic, telex, facsimile, e-mailed or late tender offers will not be accepted. **Tenders may only be submitted on the tender documentation that has been issued**. Requirements for sealing, addressing, delivery, opening and assessment of tenders are stated in the Tender Data.

Siyancuma Local Municipality disclaims any responsibility for seeing that Tenders sent by post or delivered in any other way, are lodged in the Tender Box. The Municipality reserves the right not to accept the only, lowest nor any Tender at all, or to accept the whole or part of any Tender.

The Municipality reserves the right to extend the Tender Period and/or amend conditions or any part of the tender during the Tender Period, at its own discretion, by notifying all prospective tenderers of the amendment/s up until 5 (five) days before tender closure.

Please note, to be eligible to tender, the following minimum functionality criteria must be met:

- I. CIDB contractor grading designation of **7CE** or higher.
- II. Bank rating of **Class C** or better. The bank rating should, be based on the tender amount or any amount within the grade 7 CIDB classification (R 20 Million to R 60 Million), should refer to this

specific tender, be printed on an original bank letterhead with a legible bank stamp and signed by an authorised, traceable representative from the bank.

- III. The tenderer must have successfully completed or is currently successfully executing at least three (3) civil (water and/or sewer reticulation) construction projects for local government, government, or organs of state within the last 10 years of which:
- a) At least one (1) project must be for the construction of Municipal Bulk Water Infrastructure with a minimum construction value of R 20,000,000.00 (Incl. VAT).
 - b) All Projects must have construction values of R 10,500,000.00 (Incl. VAT) or higher to be considered.
 - c) Project completion certificates and/or reference letters (especially for current projects) from qualified entities as listed above must be provided as proof of experience. All completion certificates and reference letters should be signed by authorised and traceable representatives of the qualified entities.

The following conditions, including but not limited to, will also apply:

- The CIDB Standard Conditions of Tender shall apply.
- Valid Tax Compliance Status (TCS) PIN for Tender, from the South African Revenue Services is to be submitted with the tender.
- Proof of registration on Central Supplier Database for Government and must submit the applicable CSD Registration Report not older than 3 months.
- Certificate of good standing for workmen's compensation to be submitted with the tender.
- Municipal account not older than three (3) months and not in arrears for more than ninety (90) days from a municipality where the entity operates, must be submitted. (Valid Lease agreements and sworn statements/affidavits are also accepted).
- Tenderer to submit with his/her tender the company profile, proof of company registration and certified ID copies of owners/directors of the company.
- Only originally certified copies of all documentation shall be accepted, and certification should not be older than three (3) months from the closing date of this tender.
- Failure to complete all tender forms, returnable data sheets and submit all supplementary information may lead to the tender being deemed non-responsive.
- Tenders are valid for 120 days after the tender closing date.
- The Siyancuma Municipality's Supply Chain Management Policy shall apply.
- NB: No tenders will be considered from persons, or immediate family members of persons, in the service of the state or municipality.
