The successful service provider undertakes, at any time during the term of its appointment and after any termination or cancellation thereof, not to directly or indirectly disclose or use, whether for its own benefit or that of any other person any confidential information of QCTO including that of its clients, customers, suppliers, donors, sponsors or agents.

9. EVALUATION CRITERIA

QCTO may request additional information, clarification, or verification regarding any information contained in or omitted from a tenderer's proposal. This information will be requested in writing, and the bidder must provide the requested information within forty-eight (48) hours after the request has been made; otherwise, the bidder may be disqualified.

QCTO may conduct due diligence on any tenderer, which may include interviewing customer references or other activities to verify a tenderer's other information and capabilities (Including visiting the tenderer's various premises and/or sites to verify certain stated information or assumptions). In these instances, the tenderers will be obliged to provide QCTO with all necessary access, assistance and/or information which QCTO may reasonably request and to respond within the given time frame set by QCTO.

The 80/20 principle will be applied in terms of the Preferential Procurement Policy Framework Act.

The Tender will be evaluated in Two stages:

Stage 1: Mandatory Evaluation

During this stage, proposals will be reviewed to determine compliance with all mandatory requirements and such documents must be signed by a duly authorized representative.

Stage 2: Functionality

Only service providers that qualified during the Mandatory Evaluation will be evaluated on functionality. At this Stage, the evaluation process will be based on the service provider's responses in respect of their proposals against specifications and quality.

Service providers who score a minimum qualifying threshold score of 80 Points or more will be automatically categorized as technically acceptable and will be included on the respective panel. A bid will be disqualified if it fails to meet the minimum threshold for functionality as per the bid invitation.
