Answer: We require 110 rolls.

6. During a briefing there were concerns about other items that were speaking to a certain brand, do we have an answer to that?

Answer: We have put three brands on the price list, namely Beka Schreder, Duracell and Bosch.

Beka Schreder is for the purpose of maintaining uniformity as we have existing type that is only made by them.

And the other two brands have been put for their proven reliability within our environment.
