

TRANSNET SOC LTD

TENDER NUMBER: TNPA/2022/08/0868/9744/RFP

ADDENDUM NO. 1

DATED: 24 October 2022

The following information is furnished in addition to, in amplification and substitution of, matters contained in the tender documents issued in respect of the abovementioned work.

1. C.2.1 Only those tenderers who satisfy the following eligibility criteria are eligible to submit tenders:

Stage Two – Pre-qualification criteria for CIDB Grading Designation:

(a) Only those tenderers who are registered with the CIDB or are capable of being so prior to the evaluation of submissions, in a contractor grading designation equal **to 6CE or higher** than a contractor grading designation determined in accordance with the sum tendered or a value determined in accordance with Regulation 25 (1B) or 25(7A) of the Construction Industry Development Regulations, for a **5CE or higher** class of construction work, are eligible to have their tenders evaluated.

(b) Joint Venture (JV)

Joint ventures are eligible to submit tenders subject to the following:

- every member of the joint venture is registered with the CIDB;
- the lead partner has a contractor grading designation of **4CE** class of construction work; and
- the combined Contractor grading designation calculated in accordance with the Construction Industry Development Regulations is equal to or higher than a Contractor grading designation determined in accordance with the sum tendered for a **5CE** or higher class of construction work or a value determined in accordance with Regulation 25(1B) or 25(7A) of the Construction Industry Development Regulations.

The tenderer shall provide a certified copy of its signed joint venture agreement.

2. PART C3.1: WORKS INFORMATION HEALTH AND SAFETY REQUIREMENTS

The Contractor shall provide a full time Health and Safety Officer on Site who is registered with SACPCMP as a CHSO as well as a full time Construction Manager registered with SACPCMP, Supervisor as well as full time first aider. All employees to be in possession of valid medical certificates of fitness (including a drug test) conducted at the CDC or alternatively verified at the CDC clinic. The Contractor ensures that all requirements imposed on the Contractor as per the project Health and Safety Specification, will be enforced on the subcontractors as well. The Contractor to submit a health and safety file to the Transnet representative for acceptance before any work can commence on site. No alcohol is permitted on Site and Transnet property. The Employer has a zero-tolerance policy in this regard and all personnel entering the Site will be required to undergo daily breathalyser tests conducted by the Contractor.

This addendum must be signed and submitted with the tender proposal.
