TERMS OF REFERENCE & REQUEST FOR QUOTATIONS

HIRE OF TIPPER DUMP TRUCKS FOR THE TRANSPORTATION OF SLUDGE

1. Introduction:

As a bulk water supplier it is the intention of uThukela Water to request quotations from suitable suppliers for the hiring of tipper dump trucks for the purpose of transportation of sludge that is required to be removed from sludge holding dams at the Ngagane Water Purification Plant.

2. Background:

The Ngagane Water Purification Plant is situated approximately 11kms from Newcastle. Sludge holding dams are located at the Ngagane Plant which requires the removal of sludge. The removed sludge will be required to be transported to a designated area as determined by uThukela Water. The removal of sludge from the dams will be conducted by uThukela Water.

3. Requirements:

Relevant and related experience pertaining to the supply and operating of tipper dump trucks.

4. Scope of work:

- Supply tipper dump trucks for the transportation of sludge. Truck load capacity to be not less than 10m³ (ten cubic meters)
- Provide a driver to drive the truck
- Provide fuel for the truck
- Transportation of sludge to a designated area as determined by uThukela Water
- Distance from the sludge holding dam to the designated dump site to be confirmed at the site meeting
- Rates to include all truck costs, driver costs, fuel costs, distances travelled and tonnages transported.

5. Quotations must be submitted in one of the following ways:

- Bids will be adjudicated in terms of the Preferential Procurement Regulation, 2017 pertaining to Preferential Procurement Policy Framework Act, 5/2000 and other applicable legislations, and will be based on 80/20 points system. Preference points will be awarded to service providers using their B-BBEE status level of contribution.
- The municipal Entity reserves a right to accept all, some or none of the bids submitted, either wholly or in part and is not obliged to accept the lowest bid.

- **A compulsory site meeting is scheduled** at 10h00 on **27 September 2022**, all prospective vendors/suppliers to meet at the Ngagane Water Purification Plant. Failure to attend the site meeting will result in disqualification.
- **Important:** A safety file is to be submitted by the successful supplier prior to any work being commenced. The safety file is to be approved by uThukela Water.
- The supplier of a successful quotation must be on the UTW financial system before an order will be issued. Please contact the Procurement Officer for details of the procedure to be included on the vendor's list.
- Proposal/quotes are to be submitted via an email to quotes@uthukelawater.co.za attention to SCM Manager Miss X Mgaga on or before the due date: **4 October 2022@ 12pm**. Subject "OPS2023-WS-010"
