**ICASA Centurion hereby requests service providers to assist with plumbing maintenance**

*A Service provider is needed at ICASA Centurion to assist with unblocking two kitchen sinks and repair the leakages on the pipes of the taps .*

**1. SCOPE OF WORK: PLUMBING SERVICES.**

- A service provider is needed to unclogging blocked kitchen sinks system for Block B, first floor, kitchens of PRA and Corporate
- Services divisions are blocked and as a result no water is flowing through the
- drainage system and the pipes are leaking. The none functionality of the drainage system is a health risk and can cause occupational health diseases at work if not addressed urgently
- Only qualified and experienced plumbers with thorough knowledge and expertise in the plumbing trade will be required to carry out work as and when it is identified by the ICASA (attach valid proof of qualifications). The service provider shall ensure that its team has relevant expertise and provide diligent and necessary support to ICASA as and when required.
- The appointed service provider shall follow all statutory provisions and safety rules for carrying this work including but not limited to SANS and the OHS Act, no 85 of 1993.
- Plumbing services must be rendered in a sustainable manner while ensuring compliance to general safety and all relevant SANS 10400 and 10252/54 legislation.
- The scope of work entails the assessment, repairs, replacement of damaged fixtures and fittings (where necessary) to the existing plumbing systems within ICASA on an as and when basis.
