1. INTRODUCTION

This engagement model deals with the acquisition of mechanisation services in the Department of Agriculture in line with the requirements of the Preferential Procurement Policy Framework Act, 2000 (Act 5 of 2000), the Public Finance Management Act, 1999 (Act 1 of 1999), the Supply Chain Management

2. OBJECTIVES OF THE MODEL

This model aims to achieve the following objectives:

- To develop, manage and maintain a model that will ensure compliance with the Preferential Procurement Policy Framework Act, 2000 (Act 5 of 2000) and its Regulations, the Public Finance Management Act, 1999 (Act 1 of 1999) its Regulations and the Supply Chain Management Regulations and the Local Economic Development Procurement Framework.
- To ensure that the processes and procedures with regard to the appointment of Service providers are fair and transparent to ensure compliance with relevant prescripts.

3. DEFINITIONS

Department means the Eastern Cape Department of Agriculture in the Government of the Republic of South Africa.

Accounting Officer means the Head of Department of the Eastern Cape Department of Agriculture.

Office means a **Head office** or **Branch office** of a **Service provider**.

Service means a mechanisation services (Ripping, Ploughing, Discing, Planting, Spraying and Topdressing).

Service provider means any one of the following:

- a) A legal entity, partnership or sole proprietary performing mechanisation services works

4. APPOINTMENT OF A SERVICE PROVIDER

4.1 The appointment of a Service provider to render a Service will be dealt with, according to the SCM procurement processes but appointment will be on approved annual tariffs.

4.1.1 Source from service providers registered on the database.

4.1.2 The sourcing will be through the standard SCM bidding documents with the applicable tariffs.

4.1.3 Bid procedures will apply after taking into consideration the capacity of machinery, previous work and proximity of bidders.

4.1.4 Allocation of hectareage will take into account the capacity of machinery (the verification report from departmental officials will apply), & / bidders past

experience, & / location of the bidder to the area where the mechanisation will take place.

5. MECHANISATION SERVICES DATABASE

5.1 Key principles of the database:

- The database will be used for the invitation of quotations from Service provider/s on the database.
- The Mechanisation services database will operate as a centralized database to be used by the Department in its head office as well as its regional offices.
- Locality of a Service provider on the Mechanisation services database does not guarantee that the said Service provider will be nominated and / or be awarded any contract by the Department.
- The Mechanisation services database will categorise the different location for Service providers and Service providers will register in the respective location applied for and surrounding areas.
- Locality of Service providers registered on the Mechanisation services database must be compliant with all relevant legal and statutory requirements.

5.2 Requirements to qualify for placement on the Mechanisation services.

- Registration as required for a Service provider.
- Service providers must complete the application form in full, together with all annexures, if so required and be signed by an authorised representative.
- Service providers must ensure that their necessary details regarding equity ownership, details of principals, company registration number (where applicable), resources, tax details, fields of expertise, location where based, and other relevant information as contained in the application, are completed. Incomplete applications will lead to bidders not qualifying for placement on the Mechanisation services database.
- Applications from Service providers will go through a validation / verification process by departmental officials to:
 - determine that all equipment listed and criteria are met
 - determine if the bidder is not a beneficiary in the cropping programme with mechanisation equipment. (cannot participate in both)
 - Determine if bidder does not participate in the partnership model. (cannot participate in both)
 - that all information provided is correct.

5.3 Compilation of the **Mechanisation services database.**

- The Department must annually advertise for additional Service providers to register. The advertisement must appear in at least one Provincial Tender Bulletin.
- The invitation process will be fair, transparent and competitive.
- The invitation to register will set out the responsive criteria.
- Address of the Service provider will be registered on the Mechanisation services database per ward/ local/ town within the province.
- Service providers will only be registered on the Mechanisation services database for a specific ward/ local/ town if they are based in that locality.
- All applications received thereafter will be placed at the bottom of the Mechanisation services database.

5.4 Maintenance and updating of the **Mechanisation services database.**

- Each Service provider will be registered for a specific period.
- A Service provider can be removed from the Mechanisation services database if the required performance is not maintained, or for any other reason that causes the Service provider to have become ineligible after placement on the Mechanisation services database
- The Department will issue a notice annually calling for the new service providers to update the database.
- The notice will contain a list of requirements that the Service provider must provide with his application for the renewal of his registration on the Mechanisation services database
- Applications for renewal of registration (where applicable) of the Mechanisation services database will undergo the same validation / verification process as set out above.
- Those Service providers who fail to perform repeatedly will be removed from the database after contract management procedures have been followed.

6. APPOINTMENT OF A SERVICE PROVIDER

6.1 Selection

A formal invitation containing all relevant information and conditions of appointment will be sent to all Service providers to submit a quotation.

The Bid Committees (depending on threshold) will be utilised for the evaluation of the quotation/proposal not exceeding its threshold.

For quotations exceeding R 1 000 000.00, the evaluation report will be submitted to the Department's Bid Adjudication Committee and the Accounting Officer or his/her delegate for final approval.

Quotation will only be adjudicated on price alone as this is applied through standard approved tariffs.

6.2 Documentation

Only the generic documentation prepared by the Directorate Supply Chain Management should be used.

6.3 Contractual arrangements

A project execution plan must be compiled in conjunction with the Service provider and must be agreed upon before the agreement can be formalised.

7. IMPLEMENTATION OF AND ADHERENCE TO MODEL

This model comes into effect from 2026 financial year for consideration of new entrants.

Amendments may be effected at any time as may be required and must be approved by the **Accounting Officer** before implementation.

8. MONITORING OF APPLICATION OF MODEL

It will be the responsibility of the Director: Supply Chain Management at the **Department's** head office to monitor the application of this model and to provide the **Accounting Officer** with an annual report.

9. SPECIAL CONDITION

A bidder who also happens to be a beneficiary in the programme by virtue of having mechanisation equipment, is expected to make their contribution by providing their mechanisation services and therefore they won't be considered in this Expression of Interest for their projects.
