CONTRACT NO. 34376-5W

02 OCTOBER 2026

ADDENDUM 3

Tenderers for the above-mentioned contract are hereby notified as follows:

Amendment 1: Minimum Number of Completed Contracts – Clause C.2.1.3

Clause C.2.1.3 is amended to remove the inconsistency regarding the minimum number of completed contracts. The requirement is confirmed as five (5) completed contracts or order numbers/fault numbers.

Where any other clause in the tender document refers to a minimum of two (2) contracts or order numbers/fault numbers for experience, it shall be read as five (5) contracts or order numbers/fault numbers. Tenderers must demonstrate completion of at least five (5) relevant contracts or order numbers/fault numbers.

Amendment 2: Proof of Value of Previous Work – Rate-Based Tender

Noting that these tenders are rate-based panel contracts with no fixed tender sum at bidding stage the requirement for tenderers to provide proof of having completed work valued at 50% of the tender amount bid is hereby deleted.

In its place, tenderers must submit proof of previous relevant work by way of signed reference letters and/or completion certificates and/of job fault numbers/order numbers, demonstrating the required five (5) contracts or order numbers/fault numbers as per Amendment 1 above. The value of previous contracts must be stated in the reference where available for evaluation of relevant experience.

Amendment 3: Period for Previous Work Experience – Clause T2.2.16

Clause C.2.1.3 is clarified and amended: proof of previous work completed shall cover work completed within the last ten (10) years.

Where any other clause refers to five (5) years in this regard it shall be read as ten (10) years.

Amendment 4: Space for Recording Experience Details (Pages 53 and 54)

Pages 53 and 54 of the tender document currently provide space for only two (2) contracts. This is hereby amended to provide for five (5) contracts. Tenderers must complete the revised Schedule of Previous Experience (attached as **Annexure A** to this Addendum) listing all five (5) contracts.

Amendment 5: Vehicle Requirements – Clause T2.2.23

Clause T2.2.23 is clarified: tenderers must comply with the vehicle and equipment requirements as per the attached Vehicle / Equipment Schedule (**Annexure B**).

Amendment 6: Number of Panel Contracts to be Awarded

The tender documents are amended to state that a maximum of fourth (40) panel contracts may be awarded per tender subject to meeting the minimum evaluation criteria and the Employer's requirements. The Employer reserves the right to award fewer than 40 appointments.

Amendment 7: References and Job Fault Numbers – Clause C.2.1.3(c)(ii)

Clause C.2.1.3(c)(ii) is hereby deleted in its entirety and replaced with the following: "Failure to submit a reference and/or without contract numbers or order numbers will result in disqualification of the tender submission."

Amendment 8: Removal of Financial Risk Mitigation

The clause on addendum 1 that states "The Municipality does not bind itself to accept the lowest or any tender and reserves the right to accept the whole or any part of a tender, further if the tenderer's price is identified as below the determined average market related prices by a variance of 20% or more, the price shall be deemed non-responsive." Is deleted and no longer applicable to this contract

Amendment 9: Notice Of Extension

The closing date for this tender has been extended from 09 October 2026 to 16 October 2026. The closing date is now on 16 October 2026. The time and venue remain the same.

Please acknowledge receipt of this notice by signing and returning, as part of a tender document closing on Friday, 16 October 2026.

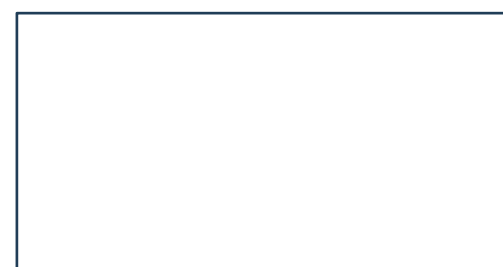

This Notice forms part of the Contract and is to be signed, dated and returned with the Tender Documents. Failure to complete and sign any addendum will invalidate your bid.
