Technical support Level 1	
Technical support Level 2	
Technical support Level 3	
<b>Enhancements</b>	<b>Hourly Rate</b>
Project Management/Team Lead level	
Developer	

Price (VAT Inclusive). It is the responsibility of each bidder to ensure that all applicable taxes are included in the offer. Bidders must ensure that they factor in VAT for offers of R1 million and above it is a compulsory requirement of the VAT Administration Act. If an entity not registered as VAT vendor is awarded a bidder, it is expected to register for VAT within 21days of being awarded a contract and produce such proof of registration to the employer.

As a rule, the NDoH is not responsible for making a payment towards VAT on bidders that were awarded contracts without the inclusion thereof at the time bid closure.
