- SCORE OF WORKS**
- Work Area 0.1 - CONVERT EXHIBITION SPACE TO BROADCAST STUDIO**
- Design Study & final construction of wall partitions and roller door
 - Allow for roller door
 - Allow for storage to be made from existing space
 - Make good to affected floor walls and ceiling
 - Allow for alterations to Electrical, HVAC and Fire Layouts
 - Allow for alterations to Access Control Systems
 - Allow for fit-out
- Work Area 0.2 - CONSTRUCT MEETING ROOMS IN EXHIBITION SPACE**
- Design Study & final construction of wall partitions and glass aluminium single door
 - Allow for storage to be made from existing space
 - Make good to affected floor walls and ceiling
 - Allow for alterations to Electrical, HVAC and Fire Layouts
 - Allow for fit-out
- Work Area 0.3 - CONVERT OFFICE AREA TO CLINIC**
- Design Study & final construction of wall partitions and glass aluminium single door
 - Design Study & final glass aluminium partitions and glass aluminium double door
 - Allow for storage to be made from existing space
 - Make good to affected floor walls and ceiling
 - Allow for alterations to Electrical, HVAC and Fire Layouts
 - Allow for fit-out
- Work Area 0.4 - CONSTRUCT OFFICES IN CAFFEIA AREA**
- Design Study & final construction of wall partitions and glass aluminium single door
 - Design Study & final glass aluminium partitions and glass aluminium double door
 - Allow for storage to be made from existing space
 - Make good to affected floor walls and ceiling
 - Allow for alterations to Electrical, HVAC and Fire Layouts
 - Allow for fit-out
- Work Area 0.5 - CONVERT RECREATION ROOM INTO TEMPORARY OFFICES**
- Design Study & final construction of wall partitions and glass aluminium single door
 - Design Study & final glass aluminium partitions and glass aluminium double door
 - Allow for storage to be made from existing space
 - Make good to affected floor walls and ceiling
 - Allow for alterations to Electrical, HVAC and Fire Layouts
 - Allow for fit-out

ACCORDING

Work Area 0.2 - CONSTRUCT OFFICES IN EXHIBITION SPACE

- Design Study & final construction of wall partitions and glass aluminium single door
- Allow for storage to be made from existing space
- Design Study & final glass aluminium partitions and glass aluminium double door
- Allow for storage to be made from existing space
- Make good to affected floor walls and ceiling
- Allow for alterations to Electrical, HVAC and Fire Layouts
- Allow for fit-out

Work Area 0.4 - CONSTRUCT OFFICES IN CAFFEIA AREA

- Design Study & final construction of wall partitions and glass aluminium single door
- Design Study & final glass aluminium partitions and glass aluminium double door
- Allow for storage to be made from existing space
- Make good to affected floor walls and ceiling
- Allow for alterations to Electrical, HVAC and Fire Layouts
- Allow for fit-out

Work Area 0.5 - CONVERT RECREATION ROOM INTO TEMPORARY OFFICES

- Design Study & final construction of wall partitions and glass aluminium single door
- Design Study & final glass aluminium partitions and glass aluminium double door
- Allow for storage to be made from existing space
- Make good to affected floor walls and ceiling
- Allow for alterations to Electrical, HVAC and Fire Layouts
- Allow for fit-out
