No.	Date	Ref	Supplier Clarification Question	Eskom Response
1.	18/11/2025	Page 58 of the invitation to tender	I came across the tender E1565GXNOUR in regards with the supply and delivery of filters for a nuclear operating unit. Would you be so kind and if you are able to, to send me more information about this tender? Such as the needed documentation, what sort of filters you require, and so forth.	This is a once-off purchase for the supply and delivery of filters. For more information regarding the type of filters that we require in this tender, please refer to page 58 of the invitation to tender. (Scope of work).
2.	18/11/2025		Re Invitation to Tender E1565GXNOUR For the Supply and Delivery of Filters for the Nuclear Operating Unit. We note that the tender has been reissued. Please provide a reason for the reissue.	Kindly note that the tender was re-issued because no acceptable tenders were received from the market.
3.	18/11/2025		I am noticing that the attached tender is re issue, please advise on the reason why?	Kindly note that the tender was re-issued because no acceptable tenders were received from the market.
4.	19/11/2025		Can you kindly advise if the pricing on the attached is the budget for this tender.	Kindly note that this is not the pricing for this tender please ignore attachment N PR and 238-769T and focus on Annexure T PR 238-769T Rev 2
