3.	Can you please provide clarity in relation to the qualifications of quality Inspector (C&I) and Quality Inspector (DHP & SSP). When I am making a comparison between the two groups of job description, they appear to be different, but the required minimum qualifications are identical. Please provide clarity if it is indeed two set of the same qualification.	All qualification minimum is N3 . The QC inspector can have degree or diploma it will still be considered as is higher than minimum requirements For C&I (is N3 light current – electrical) And DHP is N3 Mechanical																				
4.	We would like to ask for some further clarification regarding the administrative aspects — such as categorization, timesheets, medical visits, etc. Are these activities expected to be managed remotely, or should we plan for a dedicated resource onsite at our own cost?	Contractor shall ensure they managed their own HR matters and send times sheet to Eskom weekly																				
5.	In the current contract we have at Koeberg, similar services are provided by two dedicated figures that were explicitly paid by Eskom, so we would like to confirm whether the same arrangement applies in this case. If not, we would	This contract did not include what Koeberg has , it is specifical to the site needs
