1. BACKGROUND

The Agrement South Africa Act was assented to by the Honourable President of the Republic of South Africa as Act No 11 of 2015 from 1 April 2017. Agrement South Africa was established as a Schedule 3A entity on 1 April 2017. The entity operates under a delegation of authority from the Minister of Public Works.

The main objectives are:

- To provide assurance of fitness-for-purpose of non-standard construction-related products and systems to specifiers and users.
- To support and promote the process of integrated socio-economic development in the Republic as it relates to the construction industry.
- To support and promote the introduction and use of certified non-standardized construction-related products or systems in the local or international market.
- To support policymakers in minimizing the risk associated with the use of non-standard construction-related products or systems; and
- To be an impartial and internationally acknowledged South African centre for assessment and confirmation of fitness-for-purpose of non-standard construction-related products or systems.

2. INVITATION FOR PROPOSALS

Agrement certification establishes fitness-for-purpose of innovative and non-standard construction products and systems through conducting an independent technical assessment and issuing certificates when the assessment has been conducted successfully. Agrement South Africa extends a call for the submission of proposals from suitably qualified Materials experts to assess the durability of a building system and its compliance with Agrement fit-for-purpose certification criteria for various occupation classes.

3. SPECIFICATIONS

The building system to be assessed is intended for use in all areas of South Africa for the erection of single-storey buildings for applicable occupancy classes set out in SANS 10400 PART A: Table 1 of Regulation A (20) (1). The wall panels consist of 40 mm Polystyrene (EPS) core clad with 0.5 mm thick pre-painted galvanized sheet metal on both sides. The roof is constructed with the same panel used for the walls.

The assessment will be based Agreement fit-for-purpose certification criteria for durability assessment and other applicable minimum standards.

The service provider will be required to assess the properties of the building system and make recommendations regarding the suitability of the product for Agrément certification.

All tests shall either be witnessed by an authorised Agrément South Africa assessor and be conducted by a registered competent person.

All test reports must:

- provide the full name, description and intended use of the product.
- provide a technical description of the product.
- detail results of every aspect of the test against the performance requirements
- be dated and
- be signed by the test officer and presented in pdf format.

The expert conducting the testing shall have over five (5) years of experience as an acoustic expert, with a minimum of three contactable references. The profiles (CV's detailing the person's educational background and work experience) of such persons shall be submitted to Agrément South Africa.

4. SUBMISSION OF PROPOSALS AND EVALUATION CRITERIA

4.1 Submission of procurement documents.

- National Treasury's Central Supplier Database (CSD) report. It must be noted that no contract with a service provider will be entered if such a service provider is not registered on the CSD,
- Completed and signed standard bidding documents, **SBD 4 and 6.1 forms.**
- Signed General Conditions of Contract.
- Completed price schedule.

4.2 Evaluation

4.2.1 Phase 1: Technical Specification and Functionality Evaluation

The bids shall first be evaluated for functionality. A **minimum score of 60%** must be obtained on functionality before a proposal is considered for further evaluation. Details of the functionality scoring and how the points shall be allocated are as follows:

	Description	Weight (%)
1	<p>Company Experience Number of years the company has been in business.</p> <p>Minimum 3 years' experience in construction Materials assessment field.</p> <p>A company profile clearly indicating the number of years in fire assessment field must be submitted as evidence.</p> <ul style="list-style-type: none"> Has less than 3 years' experience – 0 points Has 3 – 5 years' experience – 3 points Has more than 5 years – 5 points 	20

	TOTAL	100
--	--------------	------------

The following formula will be used to convert the points scored against the weight:

$$Ps = \left(\frac{So}{Ms} \right) \times \text{weighting percentage for section under consideration}$$

Where:

Ps = Percentage scored for functionality by bid under consideration

So = Total score of bid under consideration

Ms = Maximum possible score

Service providers will be expected to achieve a minimum threshold score of 60% in order to proceed to Phase 2.

4.2.2 Phase 2: Calculation of points

Please note for acquisitions below or equal to R50 Million, ASA evaluates these in terms of the 80/20 preference point system where:

80 points are allocated for price and 20 points will be awarded based on the specific goals.

Points for price will be calculated for all shortlisted service providers in accordance with the following formula:

$$Ps = 80 \left(1 - \frac{Pt - P_{\min}}{P_{\min}} \right)$$

Where:

Ps = Points scored for the price of the quotation under consideration

Pt = Price of the quotation under consideration

Pmin = Price of lowest acceptable quotation

Preference points for the specific goals will be allocated as follows:

NO.	SPECIFIC GOALS ALLOCATED POINTS	PREFERENCE POINTS ALLOCATION	SUPPORTING EVIDENCE TO BE SUBMITTED
1.	SMMEs	10 points	<ul style="list-style-type: none"> - A B-BBEE certificate /sworn affidavit as supporting evidence
2.	>50% Black female ownership	5 points	<ul style="list-style-type: none"> - CSD report or, - Company registration certificate, as issued by the CIPC, clearly indicating the percentage shareholding of all owners
3.	>50% Black youth ownership	5 points	<ul style="list-style-type: none"> - CSD report, - Company registration certificate, as issued by the CIPC, clearly indicating the percentage shareholding of all owners, or - Identification Documentation of all owners

The final points will be calculated as follows:

CRITERIA	WEIGHTING POINTS
Price	80
Specific goal	20
TOTAL	100

ASA also reserves the right to conduct an investigation of the bidder's financial position, previous contracts carried out, availability of skills or knowledge, existing workload, etc.

A recommendation for award will then be formulated for approval by the relevant delegated authority.

5 TERMS OF CONTRACT AND SERVICE LEVEL AGREEMENT

Before the bid is awarded, the successful bidder shall be required to enter into a Service Level Agreement (SLA) with Agrément South Africa (ASA). The SLA shall form the contractual basis for the delivery of the service as well as how performance shall be measured. Contract extensions are at the sole discretion of ASA.
