NO.	REQUESTS FOR CLARIFICATION	TCTA RESPONSES
1	<p>Please can you urgently provide feedback on the following:</p> <p>1.The annexures from A to S portion is supposed to be 50 pages as numbered, but when I print them out, there are only up to page 18</p> <p>2.Another file starts from page 2 (ANNEXURE G) and goes up to page 7 (ANNEXURE K). No page 1 and is supposed to be 50 pages as numbered.</p> <p>3.Another file starts from ANNEXURE L and goes from page 1 to page 13 and is supposed to be 50 pages as numbered.</p> <p>4.Another file starts from page 14 to page 26 (ANNEXURE S) and is supposed to be 50 pages as numbered.</p> <p>Can you please issue a corrected and single download of the document and advise whether any extension will be granted. Please appreciate that, as the tenderer, we are concerned of submitting the bid document in view of the above and making inadvertent mistakes which may prejudice our application.</p>	<p>As we clarified in the tender briefing meeting, the Annexures run from Annexure A-S and are complete as per reference of the Main RFB sequenced #1. The RFB is sequenced 1-6 and needs to be downloaded as such and what is important is getting the content of Annexure A-S.</p> <p>As the other bidders may have already downloaded the RFB as separately assembled, we will not be able to give a single download, and the extension of the closing date and time is not possible in this situation.</p>
