3. SHE requirements explanation

Requirements	Explanation
1. Acknowledgement of Eskom's rules and requirements (Annexure B)	Ensure that all applicable rules and requirements are referenced in this form in order for the supplier to acknowledge and comply with them. Ensure that this completed form is included in the enquiry procurement package. To be signed and submitted by the tenderer?
2. Baseline SHE Risk Assessment	refers to the SHE hazards/aspect and risks/impact that are identified and assessed before the inception of a new project and commencement of operations. The baseline risk assessment shall include both routine and non-routine tasks.
3. Competency	A person who has in respect to the work that has to be done, the required training, knowledge and experience, and where applicable qualification relevant to that work or task. Provided where appropriate qualifications and training are registered in terms of the provisions of National Qualification Framework Act No 67 of 2000, those qualification and training must be regarded as the required qualification and training, and is familiar with the Act and applicable regulations made under the Act. <ul style="list-style-type: none"> - First aider (If or when applicable) - SHE professional (If or when applicable) - Incident Investigator (If or when applicable)
4. Environmental Management Plan	The applicable detailed contract-specific/scope-of-work-specific environmental requirements that will be complied with and managed by the tenderer.
5. Safety, Health and Environmental plan	Means a site, activity or project documented plan in accordance with the clients SHE requirements. The plan must be scope or project based. The plan must reflect an organised system (method statements, processes, resources etc) which the supplier will comply to and enforce to manage the SHE risk during the lifecycle of the project.
6. Valid letter of good standing	Registration with the Compensation Commissioner (COID) or a licenced mutual company or an equivalent of it (for international bidders). If a company has only 1 employee (CEO, Owner), the supplier shall submit an insurance letter that covers accidental death and Disability to the value of R500 000 as a minimum.
