- 6.6. Partial deliveries will not be accepted unless prior agreement and approval by the Electoral Commission.
- 6.7. Late deliveries will not be accepted nor paid for.
- 6.8. Bidders must take note that a proper delivery notes system is crucial.
- 6.9. Prices must include delivery of the specified quantities to the specified sites as per Section 18.
- 6.10. The delivery notes must be signed by both the service provider and the warehouse receiving staff.
- 6.11. Deliveries will not be accepted at the warehouse if delivery notes do not clearly state the name of the service provider, quantity of the items delivered, that is number of pallets, boxes/bottles and actual quantities delivered.

Important note: No deliveries will be accepted without submission of signed delivery notes, and Waybills will not be accepted as delivery notes.

7. COSTING AND PRICING

- 7.1. Bidders must take care to estimate and calculate their costs and prices correctly before placing a bid on the Electoral Commission's eProcurement system.

- 7.2. Erroneous low bids cannot be removed or adjusted upwards. Common errors include the entering of a unit price instead of a total price in the case of a batch requirement or accidentally omitting zeros (for example R50 instead of R5,000).
- 7.3. All bids prices must include VAT.
- 7.4. The bid amount as it appears on the eProcurement auction on the date and time of auction closure will be valid as stipulated for purposes of awarding of a contract and payment for delivery of the required goods and services.
- 7.5. Amounts/total cost must include all variables involved in the production of the items.
- 7.6. Amounts on the auction and/or official purchase order will be considered as the final and total cost and thus cannot be changed/amended at any given time by the service provider during and after the service has been rendered.
- 7.7. Bids must be placed for the correct unit of measure that is “per roll”.

Important note: Bidders must note that the cost of packaging and delivery must be included in the bid price.

8. QUALITY CONTROL

- 8.1. The Electoral Commission reserves the right to conduct inspections at the service provider’s premises for quality and adherence to specifications before deliveries are made.
- 8.2. The service provider must undertake and warrant that all goods shall, at the time of delivery, be according to specifications, in good condition, order and ready for use.

8.3. The service provider has the primary responsibility to ensure that quantity and quality are in accordance with the specification.

9. PACKAGING AND PREPARATIONS FOR DISPATCH

The demarcation tape must be packed for delivery as follows, to facilitate handling and storage:

Tubes:

9.1. The demarcation tape must be securely wrapped in transparent plastic in “tubes” of 5 (five).

Cartons:

9.2. The “tubes of 5” must in turn be packed in a suitable carton with a maximum weight of 20 kilograms.

9.3. The cartons (each containing tubes) must then be stacked on (1,000mm X1,200mm four-way entry single sided pallets), and strapped to the pallet.

9.4. Strict attention must be paid to stable and secure packaging to withstand the rigors of transportation by road.

9.5. Maximum height to stack is 1,5m. Maximum weight permitted per pallet is 750kg.

9.6. Pallets must be shrink-wrapped to prevent contents shifting or falling during movement.

9.7. The pallets must be labeled with a **yellow A4** label stating the following:

- Contents: **DEMARCATIION TAPE**

- Quantities
- Weight
- Service provider's details

9.8. Separate consignments must be packed and delivered for each provincial quantity allocation as shown in Section 18.

Important note: Service providers must note that all packaging materials including pallets remain the property of the Electoral Commission after delivery.

10. DURATION

10.1. The contract for the supply and delivery of the demarcation tape - rolls as per this auction is a 'once off' requirement.

11. EVALUATION OF SAMPLES AND WRITTEN PROPOSAL

11.1. Before an order is placed with any service provider that service provider will be required to prove conformance of the goods offered to the stated specification.

11.2. The Electoral Commission reserves to inspect samples or examples of the offered materials to establish conformance before awarding an order.

11.3. For evaluation purposes, all bidder that have placed a bid will be required to submit a sample for inspection and testing by the Electoral Commission. Note that reminders will not be sent out by the Electoral Commission – it is the responsibility of each service provider to submit the sample.

11.4. The sample consisting of (demarcation tape/roll of 1m or more) must conform to the auction specifications as set out in sections 1, 2, 3 and 4 above.

11.5. The sample must be 1m or more roll, correct colour and dimensions as stated in sections 2, 3 and 4. The sample must be made of the specified materials and components for use in full-scale manufacture but need not carry the exact proposed Electoral Commission printing. The sample must, however, demonstrate the service provider's ability to print on the demarcation tape material.

11.6. Bids must be placed online by not later than the stipulated date and time on eProcurement system.

11.7. Sample (roll of 1m or more) and the written proposal must be submitted not later than the date and time as stipulated on eProcurement system.

11.8. Failure to submit the sample and the written proposal within the specified period will exclude that service provider from further consideration.

11.9. No late samples will be considered.

11.10. The samples must be delivered directly to:

Election House
Riverside Office Park
Procurement and Asset Management Department
1303 Heuwel Avenue
Centurion
Tel: (012) 622–5700/5916/ 5550

11.11. Samples should be clearly marked with the name of the submitting service provider and the auction number, to avoid loss or confusion.

11.12. The Electoral Commission takes no responsibility for unmarked samples.

11.13. The samples will be stringently tested for quality compliance to specifications and will not be returned to service providers.

11.14. Successful service provider may be subjected to a comprehensive due diligence audit process as determined by the Electoral Commission before an official purchase order is issued.

12. ADDITIONAL REQUIREMENTS: SERVICE PROVIDER INDUSTRY

12.1. It will be necessary for the successful service provider to develop production strategies to ensure successful performance of the work.

12.2. Therefore, bidders on this auction should be established operators in the relevant industry and/or have direct control over the product design and production process. Such confirmation must be included in the written proposal.

12.3. Because of the stringent control over the product design and production process, sub-contracting is not preferred. However, the Electoral Commission may, at its sole discretion, consider subcontracting on condition that the bidder has the necessary capacity and capability to execute the contract and that the bidder has the necessary proven experience to execute projects of this magnitude.

The subcontracting arrangement may be required to be a formal written contract that clearly defines the scope of work, deliverables, timelines, and performance specifications.

12.4. The Electoral Commission will use the details provided in the written submission/proposal together with the sample and any due diligence audit provisions and other information at its disposal to determine compliance of any prospective service provider with the Electoral Commission's requirements.

13. POST EVALUATION ACTIVITIES

13.1. Before the auction is awarded, the recommended service provider(s) will be subjected to an administrative and/or technical due diligence audit.

13.2. A due diligence audit will be conducted at the recommended service providers premises.

13.3. Due diligence audit will include, but not limited to, site inspection where items will be manufactured, packaged, and dispatched, and viewing of equipment and machinery.

13.4. The Electoral Commission will enter into Service Level Agreement with the successful bidder.

14. SERVICE PROVIDER PERFORMANCE

14.1. Contracting of any service provider to render goods and/or services to the Electoral Commission are subject to the fulfillment of the Electoral Commission's due diligence audit requirements.

14.2. An essential component of the Electoral Commission's due diligence audit requirements may involve site visits to potential suppliers/ contractors as well as inspection of various key documents underpinning the establishment of the companies involved in bids of the Electoral Commission. This also includes

confirmation of capability and capacity as well as ability to execute the services specified in such bids.

14.3. Upon notification of the Electoral Commission's intention to award a contract, the successful bidder may be required to enter into a service level agreement (SLA/contract) with the Electoral Commission.

14.4. The purpose of the SLA (if applicable other than what the Electoral Commission's standard purchase orders provide for) is to fix performance criteria within the key requirements of this auction, namely quantity, quality and delivery.

14.5. The SLA may contain elements such as supplier progress milestones, delivery schedules, quality checkpoints and invoicing procedures.

14.6. The Electoral Commission reserves the right to reject any services delivered not conforming to the above, including damaged units/parcels.

Where previously agreed delivery schedules are not met by a supplier, the Electoral Commission shall have the right to appoint an alternative supplier to make good the shortfall in supply. Any additional costs incurred by the Electoral Commission in obtaining such corrective services or products from another source will be for the account of the defaulting supplier.

15. PAYMENT

15.1. No payment will be made by the Electoral Commission before a service has been rendered.

15.2. No payment will be made without an original invoice and copies of signed delivery notes.

15.3. No payment will be processed before delivery is completed and accepted.

15.4. Payment will be made within 30 days of receipt of the valid tax invoice and copies of signed delivery notes from the service provider, provided that the Electoral Commission is satisfied with the quality and standard of the service provider's performance.

16. RECYCLING

16.1. The demarcation tapes are intended to be recycled after use where possible.

16.2. To encourage recycling, the universal recycling symbol must be printed on the items.

16.3. Printed size of the symbol to be 30mm x 30mm with a permissible tolerance of 2mm in either dimension.

17. ALL ENQUIRIES

All enquiries regarding this bid must be submitted exclusively through the VotaQuotes platform. This requirement supports the principles of fairness, openness, and transparency in the procurement process.

All questions and the official responses will be published on the public VotaQuotes website (www.votaquotes.elections.org.za) where the bid is advertised.

Bidders are responsible for regularly monitoring the platform for any updates, clarifications, or additional information published during the bidding period.

No telephonic, email, or other forms of communication regarding bid enquiries will be accepted or responded to.

An enquiry cut-off date applies to all bids. The final date and time for submitting enquiries is published on the VotaQuotes platform under the specific bid listing.

20. BID EVALUATION PROCESS

BID EVALUATION CRITERIA

NAME OF BIDDER: BID REFERENCE NUMBER:

Stage 1: Assessment of Bidder's Disclosure

All bids received will be evaluated and assessed in respect of the mandatory information provided in the Bidder's Disclosure (SBD4) as well as the register for restricted suppliers and tender defaulters.

Any potential issues that may arise or transgressions that maybe identified will be pursued in accordance with statutory obligations and requirements.

In this regard, the following must be noted:

The Electoral Commission must, as part of its supply chain management (SCM) processes, identify and manage all potential conflicts of interest and other disclosures made by a person participating in procurement process to enable the accounting officer or delegated authority to make informed decisions about the person participating in the SCM process.

As such, the Bidders Disclosure form, issued as Standard Bidding Document (SBD) 4, attached as Annexure B, was extended to all entities which were invited to participate in the bid process.

As part of the evaluation of the procurement process, the information provided by a person on the SBD4 form must be evaluated.

In so doing, it must be noted that if the bid evaluation establishes that:

- (a) a person within the bidding entity is an employee of the State, the Electoral Commission's CEO must request the relevant accounting officer/accounting authority whether the person-
 - (i) Is prohibited from conducting business with the State in terms of Section 8 of the Public Administration Management Act, 2014; or
 - (ii) has permission to perform other remunerative work outside of their employment, where the PAMA does not apply to such employee.
- (b) the conduct of a person constitutes a transgression of the Prevention and Combating of Corrupt Activities Act, 2004.
- (c) the conduct of a person constitutes a transgression of the Competition Act, 1998, the conduct must be reported to the Competition Commission; and
- (d) the conduct of a person must be dealt with in terms of the prescripts applicable to the Electoral Commission.

If it is established that a person has committed a transgression in terms of the above, or any other transgression of SCM prescripts, the bid may be rejected, and the person may be restricted.

The Electoral Commission's CEO must inform National Treasury of any action taken against a person within 30 days of implementing the action.

During the bid evaluation process, the Electoral Commission must in addition to other due diligence measures, establish if a person is not listed in-

- (a) the Register of Tender Defaulters; and
- (b) the list of restricted suppliers.

A bid related to a restricted bidder or tender defaulter shall be rejected.

The under-mentioned assessment criteria will be used to evaluate the elements relating to SBD4 and restricted suppliers and tender defaulters:

	Assessment Criteria	Bidder Requirement (YES/NO*)	Comments
1	Bidder is registered on the National Treasury Central Supplier Database (CSD*.		
2	Bidder is tax compliant.**		
3	The bidder is not an employee of the state.		
4	Having certified the SBD4, it is accepted that the bidder's conduct does not constitute a transgression of the Prevention and Combating of Corrupt Activities Act.		
5	Having certified to the SBD4, it is accepted that the bidder's conduct does not constitute a transgression of the Competition Act.		
6	The bidder is not a tender defaulter as per the register published on the National Treasury website.		
7	The bidder is not a restricted supplier as per the register published on the National Treasury website.		

* No bid shall be accepted if a supplier is not registered on the National Treasury Central Supplier Database (CSD).

** A bidder must be tax compliant before a contract is awarded. A bid will be disqualified if the bidder's tax affairs remain non-compliant as per the provisions of National Treasury Instruction No 09 of 2017/2018 Tax Compliance Status Verification.

Stage 2: Evaluation Based on Functionality

Bids received in respect of this auction will be assessed/evaluated for compliance with technical specifications/functionality in accordance with the following evaluation criteria:
