

EVALUATION CRITERIA RUNWAYS AND TAXIWAYS PAINTING REQUIRED

1. Evaluation Criteria

The Tenderers need to score a minimum of **90** points out of **100** in terms of the functionality points for further evaluation.

FUNCTIONALITY CRITERIA

In determining the bidder's capacity and capability to execute the contract/project, bidders will be evaluated on functionality. Functionality is the terminology used to define the technical ability of the Tenderer, based on experience to deliver the required product in accordance with the specialised quality, reliability and functionality. Points allocated for Functionality shall be evaluated in accordance with the criteria as listed below. An overall minimum threshold of **90** points out of **100** must be achieved for the tender to be eligible for further evaluation on Price and Preference (80/20 split).
