Dear Sir/Madam

Request for Enquiry Number	E3262DXKZN
Description / Project Title	The Establishment of an Enabling Agreement with a Panel of 20 Contractors for the Provision of Supervision, Labour, Plant, Equipment, Material (except the big five (Poles, Transformers, Meters, Conductor and Cable) and Transport (as it will be required and authorized in specific circumstance) for Reticulation projects in the Kwa-Zulu Natal Operating Unit, Central East Cluster on an “as and when” required basis for a period of Thirty-Six (36) months.
Tender Questions Closing Date	21 August 2026

Item	Questions	Answers	Clarity Published Dates
1.	We kindly request clarification regarding the personnel requirements for the above-mentioned tender. Specifically, we would like to confirm whether the same suitably qualified and authorized person may be nominated/used for both LV (Low Voltage) and MV (Medium Voltage) line construction, or whether Eskom requires separate personnel to be appointed for the LV and MV line construction activities on both the mandatory and functionality	With reference to Table 3, Criteria 1 of KZNMB202601 – Technical Evaluation Criteria for Major Reticulation Works: Overhead Line (MV & LV) and Cable Systems Construction Services (page 13/29), a minimum of two and a maximum of four LV Line Construction Resources are required. The criterion specifically states that “these resources may not be used to respond to MV Linesman criteria,” meaning that the nominated LV resources must be	21 August 2026

	Kindly confirm the applicable requirements to ensure that our tender submission complies fully with the Eskom specifications and tender conditions. We would appreciate your clarification	unique and may not also be nominated as MV resources. Similarly, Table 3, Criteria 2 requires a minimum of two and a maximum of four MV Line Construction Resources, with the criterion stating that “these resources may not be used to respond to LV Linesman criteria.” In summary, <u>the same suitably qualified and authorised individual may NOT be nominated for both LV and MV line construction.</u> Separate/unique resources are required to meet the requirements for each category/criterion.	
2.	I would like to clarify the personnel requirements. If one individual has all three of the following qualifications/certifications: 1. MV Linesman – ELW 002 to ELW 010 2. MV Authorisation – Overhead Lines – MV Outcome 3: Overhead Lines 3. MV Authorisation – Cable Systems – MV Outcome 3: Cable Systems Can the same individual be nominated/used to fulfil all three personnel requirements, or is Eskom requiring a separate individual for each role? Your clarification would be appreciated”	If a resource has the following: 1. MV Linesman – ELW 002 to ELW 010 2. MV Authorisation – Overhead Lines – MV Outcome 3: Overhead Lines 3. MV Authorisation – Cable Systems – MV Outcome 3: Cable Systems Then, the same resource can be nominated/utilised to fulfil all three requirements as mentioned above.	21 August 2026
