BID NAME

TENDER FOR THE SUPPLY, INSTALLATION AND MAINTENANCE OF NEW OUTDOOR ADVERTISING SUBURBAN NAME SIGNS AND STACK SIGNS AS WELL AS THE DISCARDING OF EXISTING OUTDOOR ADVERTISING SUBURBAN NAME SIGNS FOR A PERIOD OF FIVE YEARS.

BID NUMBER

(ED 08-2021/22)

1. INTRODUCTION AND PURPOSE

Tenders are hereby requested for the supply, installation and maintenance in accordance with the specifications of new outdoor advertising suburban name signs and stack signs and also the discarding of existing outdoor advertising suburban name signs at the cost of the bidder, throughout areas designated by the municipality for a period of five years calculated from the commencement date. However, the Municipality shall retain overall responsibility for the approval of siting of all outdoor advertising suburban name signs and stack signs as well as the approval of advertising content.

2. BACKGROUND

The Economic Development and Spatial Planning Department (specifically the Outdoor Advertising Management Section under the Built Environment and Enforcement Division) manages outdoor advertising throughout the Tshwane municipal area. It entails the receipt and evaluation of outdoor advertising applications, entering into agreements with media owners for signs approved within public domain, contract management with the aim of generating revenue for the municipality; drawing up bylaws and related policies and updating such regularly; scanning the macro environment for opportunities and staying abreast of changes in the physical environment, economic environment, social environment and also with technological advancements in media and awareness of international trends affecting the outdoor advertising industry.

The goal of municipal revenue management is to ensure that the City has the ability to support, maintain and function to a degree that it meets service delivery and development obligations as a going concern. Outdoor advertising comprises two strains of revenue collection sources, namely application fees to erect and display signs visible from public property, and agreements signed with the City to erect and display advertising signs within the public domain.

Through this process it is aimed that the successful bidder will strive:

- To facilitate processes for revenue enhancement;
- To boost business confidence;

- To allow for business retention and expansion;
- To improve the quality of lives of our citizens through corporate social responsibility.

Bidders will be expected to provide proof that they have a thorough knowledge of the outdoor advertising industry and the marketing of advertising space. Also, they must have the ability to administer street furniture advertisement applications and identify and remove illegal and outdated advertising. Bidders are to provide proof to the satisfaction of the municipality that they have the experience, the resources and the ability to manage a contract of this nature.

The submission of bidders who are unable to provide the requisite proof, will be disqualified and will not be considered further.

The successful bidder will be obligated to enter into a binding agreement with the City of Tshwane Municipality on the conditions expressly or by implication embodied in this tender, immediately upon notification to the bidder of the acceptance of its tender by the Municipality. Such agreement will come into effect on the date of signature by the authorised representative of the Municipality.

3. PROJECT SCOPE

The period of the agreement shall be for FIVE (5) years only, commencing on the commencement date.

After the expiry of the agreement, the bidders right to utilise the sites as contained in the agreement shall at the discretion of the municipality continue on a month to month basis for a maximum period of THREE (3) months.

At the expiry or cancellation of this agreement, the bidder shall within 14 (fourteen) days blank-out the outdoor advertising panels on the outdoor advertising suburban name signs and stack signs and leave the sites in a clean and tidy condition, at its own expense, to the satisfaction of the Municipality and should it fail to do so, the Municipality may in its discretion carry out the necessary work at the bidder's expense.

The Municipality shall, after giving the bidder at least 21 (twenty-one) days' notice, be entitled to sell or otherwise dispose of any such property removed by it and retain the total proceeds received to defray any expenses and storage costs incurred by the Municipality.

IMPLEMENTATION AND OPERATION

The successful bidder shall market and sell outdoor advertising space available for the placement of advertisements on outdoor advertising suburb name signs and stack signs sited in designated areas in the municipal vicinity to generate income for both parties.

The successful bidder is responsible to manage the administration of outdoor advertising suburb name signs and stack signs on behalf of the Municipality and to supply, install and maintain outdoor advertising suburb name signs and stack signs in accordance with the bylaw for the control of outdoor advertising and tender specifications.

The bidder shall have the right at any time to change the content of advertisements on outdoor advertising suburb name signs and stack signs, in accordance with the stipulations of the City of Tshwane Metropolitan Municipality: Control of Outdoor Advertising Bylaws, 2006 and related policies, as amended from time to time.

The bidder will be responsible for the identification and removal of illegal and outdated advertising signs, including string, cord, wire or material of whatever nature used to secure such advertising signs on outdoor advertising suburb name signs and or stack signs.

As part of the tender submission, the bidder must submit an implementation plan to the Municipality indicating the roll out of new outdoor advertising suburb name signs and stack signs and the removal and discard of existing outdoor advertising suburb name signs and stack signs at its own cost, a plan for the management and maintenance thereof, a plan for the removal of illegal advertising on and around outdoor advertising suburb name signs and stack signs and a plan for the siting and administration of advertisement applications on outdoor advertising suburb name signs and stack signs.

The bidder shall install at least 1000 (one thousand) outdoor advertising suburb name signs and stack signs in areas designated and agreed to by the municipality.

The roads and streets in which advertising may be displayed shall be approved by the Municipality before outdoor advertising suburb name signs and stack signs are placed.

The bidder shall, in accordance with the implementation plan, complete the supply and installation of the minimum amount of outdoor advertising suburb name signs and stack signs within 24 (twenty-four) months from the date of commencement of the agreement, provided that at least 60% (sixty percent) of the minimum total number of outdoor advertising suburb name signs and stack signs shall be installed within 18 (eighteen) months from the date of commencement of the agreement. Should the total number of outdoor advertising suburb name signs and stack signs not be installed by such period, the Municipality shall be entitled to terminate this tender with immediate effect and the bidder shall not be entitled to institute any claims or damages against the Municipality.

The supply and installation of new outdoor advertising suburb name signs and stack signs shall commence no later than 60 (sixty) days after the date of commencement of the agreement.

The bidder shall keep a record of all outdoor advertising suburb name signs and stack signs supplied and installed according to the type (if more than one type of outdoor advertising suburb name sign is supplied and accepted by the municipality as part of the bid specified herein) and the date and location of such installation and supply such record to the Municipality at least every six months.

Should more than one type of outdoor advertising suburb name sign and stack sign design be proposed by the bidder and accepted by the municipality, the municipality reserves the right to identify specific geographical nodes where such alternative designs of outdoor advertising suburb name signs and stack signs are to be installed by the service provider which may be used by the bidder for the display of outdoor advertising material.

Should any part of public infrastructure (including paving, pavement, road reserve) be damaged as a result of the installation, relocation or removal of any outdoor advertising suburb name signs and stack signs supplied herein by the bidder, then in such instance the bidder shall repair such damage to its original state and to the satisfaction of the municipality. Should any claim or damage occur due to a hole dug for the installation of an outdoor advertising suburb name signs and or stack signs, such claim and damage shall solely be carried by the bidder and no claim or damage will be carried by the municipality.

Should it be necessary to remove any outdoor advertising suburb name signs and stack signs as a result of road works of whatever nature or the relocation or upgrading of services or whatever other reason deemed necessary by the Municipality, the outdoor advertising suburb name signs and stack signs are to be removed by the bidder within 3 (three) days of written notification to move such outdoor advertising suburb name sign and or stack sign. Should the bidder fail to adhere to the Municipality's request, the Municipality shall be entitled to remove the outdoor advertising suburb name signs and or stack signs at the cost of the bidder. All costs involved in the relocation or removal of the outdoor advertising suburb name sign or stack sign shall be for the account of the bidder. The Municipality shall not be liable for any damages of any nature arising from such actions.

The Municipality may in its sole discretion carry out any maintenance and effect any alterations to its property at any time and should such maintenance and/or alterations affect the siting of an outdoor advertising suburb name sign or stack sign, the Municipality shall not be liable for any damage to the outdoor advertising suburb name sign and or stack sign arising from such maintenance and/or alterations, whether such damage was caused by negligence, or was the result of the action of the Municipality, its employees, contractors or representatives. The Municipality shall furthermore not be liable for any loss of income or any damage, caused by such maintenance/alterations, that the bidder may suffer.

In the event of advertisements on an outdoor advertising suburb name signs and stack signs being obscured due to actions of the Municipality to the extent that it has been rendered unfit for the display of advertisements, then, provided that the cause of such obscuration cannot be removed by the Municipality, the successful bidder shall be entitled to identify a replacement site which the Municipality shall make available for such relocation.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

any party may give the other party written notice of such dispute, in which event the provisions below shall apply.

33.2 Within 7 (seven) days of the declaration of such dispute, the parties' representatives or their nominated persons shall meet in the spirit of goodwill and endeavour to resolve the dispute, failing which (and without prejudice to any other alternative dispute resolution to which the parties may agree, either prior to or concurrently with arbitration) the provisions of Clause 33 shall apply.

33.5 If the arbitration is –

33.5.1 a legal matter, then the arbitrator shall be a practising advocate or a practising attorney of no less than 10 (ten) years' standing;

- 33.9 The arbitrator's decision and award shall be in writing with reasons and shall be subject to appeal by either party.
- 33.10 Subject to the provisions of Clause 33.9 above, the arbitrator's award may, on application by either party to a court of competent jurisdiction and after due notice is given to the other party, be made an order of court.
- 33.11 Notwithstanding the provisions of Clauses 33.1, 33.2, 33.3, 33.4, 33.5, 33.6 and 33.7 above, in the event of either party having a claim against the other party for a liquidated amount or an amount which arises from a liquid document, or for an interdict or other urgent relief, then the other party having such a claim shall be entitled to institute action therefor in a court of law rather than in terms of the above clauses, notwithstanding the fact that the other party may dispute the claim.

- 33.12 The provisions of Clause 33 are severable from the rest of this agreement and shall remain in effect even where this agreement is terminated or cancelled for any reason.
