FOR A PERIOD OF 36 MONTHS ON AN AS AND WHEN REQUIRED BASIS (RE-ADVERT)

Clause Number	Tender Data
	(1) the Employer is satisfied that such a contractor has the potential to develop and qualify to be registered in that higher grade as determined in accordance with the provisions of the <i>CIDB Specification for Social and Economic Deliverables in Construction Works Contracts</i> ; and
4.1.1	(2) the Employer agrees to provide the financial, management or other support that is considered appropriate to enable the Contractor to successfully execute that Contract. Joint ventures are eligible to submit Tenders provided that: (1) every member of the joint venture is registered with the CIDB. (2) the combined contractor grading designation calculated in accordance with the Construction Industry Development Regulations is equal to or higher than a contractor grading designation determined in accordance with class of construction work or a value determined in accordance with Regulation 25(1B) or 25(7A) of the Construction Industry Development Regulations. b) National Treasury Central Supplier Database Tenderers who are not registered on the National Treasury Central Supplier Database at close of tender, shall submit a copy of their application of registration, with their tender submission. Tenders received from such tenderers who have not submitted proof of their registration within 21 days after the closing date for tender submissions, will not be considered. c) Local content (Form C5) Only locally produced or locally manufactured products and components for construction with a minimum threshold for local content and production as stipulated in Form C5 will be considered. d) Key Personnel In order to be considered for an appointment in terms of this tender, the tenderer must have in its permanent employment key personnel who will be the single point accountability and responsibility for the management of the construction works. Individuals must be identified, and their names listed in Form D3 for each of the key personnel listed below. Where the key personnel are no longer available to undertake the necessary work after the award of the tender, the contractor shall, within a period of 14 working days, replace the key personnel listed in Form D3 with personnel with equivalent competencies, subject to approval by the Employer. Such approval shall not be unreasonably withheld. Tenderers can demonstrate that they will have in their employ during the contract period the necessary personnel satisfying the requirements of the Scope of Work for labor-intensive competencies for management and supervisory personnel. e) financial viability Tenderers who are under business rescue or liquidation.
4.1.2	It is an absolute requirement that the taxes of the successful tenderer <u>must</u> be in order, or that suitable arrangements have been made with the Receiver of Revenue to satisfy them.
4.1.2	If the Tax Clearance Certificate is found to be incorrect, Ephraim Mogale Local Municipality may, in

	addition to any other remedy it may have: - Recover from the Contractor all costs, losses or damages incurred or sustained by the State as a result of the award of the contract; and/or Cancel the contract and claim any damages which the State may suffer by having to make less favorable arrangements after such cancellation; and/or Each party to a Consortium / Joint Venture / Sub-Contractors must attach their original Tax Clearance Certificate from the Receiver of Revenue.
4.5.2	Tenderers are hereby earnestly warned that, in terms of section 23(1) of the Roads Ordinance of Transvaal (Ordinance No. 22 of 1957, as amended), it is essential that the owners of property be advised accordingly. Unless the provisions of this section are strictly adhered to, the acquisition of material may be illegal and could result in a claim by the owner, inter alia that the property be restored to its original condition by the Contractor.
4.5.3	Where reference is made to the standard specifications in the contract documents, it shall mean the COLTO Standard Specifications for Road and Bridge Works (1998).
4.6	Failure to apply instructions contained in addenda may render a tenderer's offer non-responsive in terms of Condition of Tender 5.8.
4.7	There will be no compulsory clarification meeting.
4.8	Request clarifications at least 7 working days before closing time.
4.10	Tenderers are required to state the rates and currencies in Rand.
4.11.2	<u>Tenders submitted in accordance with these tender documents shall not have any qualifications.</u> Any point of difficulty of interpretation shall be cleared with the Employer's Agent as early as possible before submission of a tender. Should any query be found to be of significance, all tenderers will be informed accordingly by the Employer's Agent as early as possible. <u>Tenders shall not be qualified by the conditions of tender of the tender himself.</u> Failure to comply with this requirement may cause the tender to become invalid. Should the tenderer, notwithstanding the above, wish to make any amendment or qualification of the tender documents, such amendment or qualification shall be set out explicitly in full details on Form A4. Any qualification or amendment not set out on the prescribed form will not have any force and effect even though it may be contained elsewhere in the tender documents or in the covering letter to the tender. Any qualification or amendment appearing in or to be inferred from a program and submitted with any tender will not have any force and effect unless set out in writing in accordance with the above requirements.
4.12	If a tenderer wishes to submit an alternative tender offer, the tenderer shall in addition to the conforming Tender submit a separate complete set of Tender Documents clearly marked as an "Alternative Tender" in order to distinguish it from the unqualified Tender. The only criteria permitted for such alternative tender offer is that it demonstrably satisfies the Employer's standards and requirements, the

	details of which may be obtained from the Employer's Agent. Calculations, drawings and all other pertinent technical information and characteristics as well as modified or proposed Pricing Data must be submitted with the alternative tender offer to enable the Employer to evaluate if the efficacy of the alternative complies with the Employer's standards and requirements and its principal elements, to take a view on the degree to which the alternative and to evaluate the acceptability of the pricing proposals. Calculations must be set out in a clear and logical sequence and must clearly reflect all design assumptions. Pricing Data must reflect all assumptions in the development of the pricing proposal. Acceptance of an alternative tender offer will mean acceptance in principle of the offer. It will be an obligation of the Contract for the tenderer, in the event that the alternative is accepted, to accept full responsibility and liability that the alternative offer complies in all respects with the Employer's standards and requirements. The modified Pricing Data must include an amount equal to 5% of the amount tendered for the alternative offer to cover the Employer's costs of confirming the acceptability of the detailed design before it is constructed.
4.13.2	Parts of each tender offer communicated on paper shall be submitted as an original.
