#### 1.4 **STEP FOUR: Price Negotiations**

- Respondents are to note that Transnet may not award a contract if the price offered is not market-related. In this regard, Transnet reserves the right to engage in PTN with the view to achieving a market-related price or to cancel the tender. Negotiations will be done in a sequential manner i.e.:
  - first negotiate with the highest ranked bidder or cancel the bid, should such negotiations fail,
  - negotiate with the 2nd and 3rd ranked bidders (if required) in a sequential manner.
- In the event of any Respondent being notified of such short-listed/preferred bidder status, his/her bid, as well as any subsequent negotiated best and final offers (BAFO), will automatically be deemed to remain valid during the negotiation period and until the ultimate award of business.
- Should Transnet conduct post tender negotiations, Respondents will be requested to provide their best and final offers to Transnet based on such negotiations. Where a market related price has been achieved through negotiation, the contract will be awarded to the successful Respondent(s).

- Alternatively, the acceptance of a letter of award by the Successful Respondent will constitute the final contract read together with their RFQ response and the Standard Terms and Conditions. This will be stated in the letter of award.

## 2 **Validity Period**

Transnet requires a validity period of 90 [ninety] Business Days from the closing date of this RFQ, excluding the first day and including the last day.
