SCAM ALERT

With an endeavor to promote transparent tender processes and to comply with the relevant legislation, bidding company names and bid values are called out at tender opening, and such details are also published on the Pikitup website. Fraudsters, however, abuse the information available from various sources on the internet with fraudulent intentions.

It came to our attention that fraudsters are posing as municipal employees, claiming that they are members of either the Bid Evaluation or Adjudication Committee, and soliciting bribes from bidders for being favored during the tender evaluation or being awarded the tender.

Bidders are requested to be vigilant pertaining to the following:

- Pikitup tender documents are available free of charge from the National Treasury e-tender portal. Thus, do not pay for tender documents.
- Pikitup is using the National Treasury Central Supplier Database (CSD), hence, Pikitup will not request bidders to pay for supplier registration forms.
- All Pikitup tenders are published on the National Treasury e-tender portal and/or the Pikitup website. Only respond to tenders that are published on these websites.
- Bid responses must be deposited in the Pikitup tender box as indicated in the respective tender documents.
- Only correspond in writing with the Pikitup contact person as indicated in the tender document. The Pikitup official and contact details are also specified in the invitation to tender as advertised on the National Treasury e-tender portal and/or Pikitup website.
- Do not entertain any request for a bribe, and never pay money for being favored or being awarded a tender.

8.8. PRICE AND PREFERENCE POINTS EVALUATION AND CRITERIA

- 8.8.1 The bidder shall give the total all-inclusive prices in South African Rand, inclusive of all taxes and discounts in the pricing schedule. The total bid price will be recorded at the tender closing date in the Pikitup Tender Register. Where conflicts exist between the price quoted in the pricing schedule and the other prices quoted by the bidder elsewhere, the price quoted in the pricing schedule shall prevail. Where applicable, the bidder must provide a price breakdown.
- 8.8.2 The final proposal will be evaluated in terms of the Pikitup Supply Chain Management Policy by using either the 90/10 or 80/20 preference point system. The 90/10 preference point system applies to bids with a Rand value above R50 million (all applicable taxes included). The 80/20 applies to bids with a Rand value below R50 million (all applicable taxes included)
- 8.8.3 A maximum number of 10 or 20 preference points may be allocated to a bidder, depending on the contract value, by achieving the specified goals stipulated in the invitation to bid document. The maximum preference points that may be claimed for each specific goal is indicated in the tender document.
- 8.8.4 Where a two-stage procurement process is utilised, the 90/10 or 80/20 price and preference point system may apply in the second stage of the tender process.

8.8.5 The price submitted by the lowest acceptable bidder will be used in the formula below as the basis (Pmin) when calculating the points for price. The bidder who scored the highest points for price will score either 90 or 80 points, while other bidders will score lower points out of 90 or 80 on a pro-rata basis.

8.8.6 The 90/10 Preference Point Systems will be calculated as indicated in the section below:

8.8.6.1 Either the 90/10 or 80/20 preference point system will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.

8.8.6.2 The maximum points for this tender are allocated as follows:

| | POINTS | POINTS |
|---|--------|--------|
| PRICE | 90 | 80 |
| SPECIFIC GOALS | 10 | 20 |
| Total points for Price and SPECIFIC GOALS | 100 | 100 |

8.8.7 POINTS AWARDED FOR PRICE

8.8.7.1 THE 80/20 OR 90/10 PREFERENCE POINT SYSTEMS

A maximum of 80 or 90 points is allocated for price on the following basis:

80/20

or

90/10

$$Ps = 80 \left(1 - \frac{Pt - Pmin}{Pmin} \right) \quad \text{or} \quad Ps = 90 \left(1 - \frac{Pt - Pmin}{Pmin} \right)$$

Where;

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmin = Price of lowest acceptable tender

Should, during any stage of the evaluation and/or adjudication process, it becomes evident that the bidder who scored the highest number of points is unacceptable or non-responsive and this bidder also scored the highest points for price, the price and preference points scored by each bidder will be recalculated using the new lowest acceptable bidder's price as the basis (Pmin) for calculation purposes.

9. PREFERENCE POINTS CLAIMED FOR SPECIFIC GOALS

- 9.1.** Preference points may be claimed by the bidders for specific goals as stated in this tender. The preference points claimed for specific goals must be supported by documented proof as per the means of verification stated in this tender document.
- 9.2.** The lowest acceptable bidder's total bid price will be used to determine the applicable preference point system.
- 9.3.** The specific goals are determined by Pikitup for this tender with the intent to promote HDI and the local economy. Refer to MBD 6.1 for preference points to be claimed for specific goals.

- 10.2.** If a bidder/s qualifies as the highest scoring bidder for multiple categories in accordance with the preference point scores, the bidder/s will be considered and recommended for award only on one category with the higher value, the following highest scoring bidder/s will be considered and recommended for the lower value categories.
- 10.3.** Pikitup reserves the right to negotiate the rates with the recommended bidders before or post-award.
- 10.4.** Appointment of multiple suppliers/s per category shall be subjected to negotiations with the recommended bidders using the rates of the highest scoring bidder/s as a basis of negotiations.
- 10.5.** Appointment as successful suppliers/s shall be subject to the parties agreeing to mutually acceptable contractual terms and conditions. In the event of the parties failing to reach such an agreement, Pikitup reserves the right to appoint the next highest scoring bidder/s as an alternative supplier/s.
- 10.6.** Shortlisted bidders will be required to provide samples of each of the items (PPE, uniform, or inventory) to the Pikitup Bid Evaluation Committee for quality and specification compliance:

10.7. If a bidder's sample/s submitted does not comply with the prescribed tender specifications, the bid item/s will be considered non-compliant with the tender specifications, and the following highest scoring bidder/s will be considered.

Note: The National Treasury General Conditions of Contract 2010 as well as specific conditions of contract for this bid. This is available on www.nationaltreasury.gov.za. THE FOLLOWING INFORMATION IS PROVIDED BY PIKITUP FOR THE BIDDER'S INFORMATION ONLY AND THE INFORMATION MIGHT ASSIST THE BIDDERS RELATING TO THE COMPANIES AND INTELLECTUAL PROPERTY COMMISSION REQUIREMENTS IN TERMS OF THE FINANCIAL STATEMENT REQUIREMENTS OF THE COMPANIES ACT (2008) AND THE CLOSED CORPORATIONS ACT (1984).

Financial Statements and Independent Reviews

Private or personal liability companies that are required to be audited by the Companies Act, 2008 or regulation 28, must file a copy of the latest approved Audited Financial Statements on the date that they file their annual return with the CIPC.

The following private companies are required to have their annual financial statements audited:

- Any private or personal liability company if, in the ordinary course of its primary activities, it holds assets in a fiduciary capacity for persons who are not related to the company, and the aggregate value of such assets held at any time during the financial year exceeds R5 million;
- Any private or personal liability company that compiles its financial statements internally (for example, by its financial director or one of the owners) and that has a Public Interest Score (PIS) of 100 or more;
- Any private or personal liability company that has its financial statements compiled by an independent party (such as an external accountant) and that has a Public Interest Score (PIS) of 350 or more;

Unless the company has opted to have its annual financial statements audited or is required by its Memorandum of Incorporation (MOI) to do so, a private or personal liability company that is not managed by its owners may be subject to independent review if:

- It compiles its financial statements internally and its Public Interest Score is less than 100;
- It has its financial statements compiled independently at its Public Interest Score is between 100 and 349;

Private or personal liability companies that are not required to have their financial statements audited, may elect to voluntarily file their audited or reviewed statements with their annual returns. If such companies choose not to file a full set of financial statements, they must file a financial accountability supplement with their annual return.

How to calculate the Public Interest Score (PIS) of a company or close corporation

- a number of points equal to the average number of employees of the company during the financial year;
- one point for every R1 million (or portion thereof) in third party liability of the company, at the financial year end;
- one point for every R1 million (or portion thereof) in turnover during the financial year; and
- one point for every individual who, at the end of the financial year, is known by the company-
- in the case of a profit company, to directly or indirectly have a beneficial interest in any of the company's issued securities; or
- in the case of a non-profit company, to be a member of the company, or a member of an association that is a member of the company.

Does your CC follow the CC Act or the Companies Act?

If you're not 100% compliant with legislation for accounting officer duties, you'll face penalties. When the Companies Act (2008) came into effect, the Closed Corporations Act (1984) didn't fall away. The Companies Act didn't replace it either, thus both Acts apply.

According to the Close Corporations Act, you don't need an audit. You can use general accounting principles. For companies, you have to follow IFRS and the Companies Act. But if your CC grows the Companies Act kicks in and a full audit and IFRS or IFRS for SMEs is required.

Do you know when and why you need to create financial statements?

Here's what to do to calculate your PIS score:

The company gets 1 point for every:

- Number of shareholders and / or partners; and
 - Average number of staff members over the entire year (You need to look at the average of all the staff members for the entire year. So, if you have a high staff turnover, don't worry about having a high PIS score!)
 - Every R1 million rand of turnover or part thereof;
- and
- Every R1 million of outside debt / liabilities or part thereof, as at the end of the year.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
